

This combined production and entertainment space is a great opportunity to tell your visitors the story of an authentic brand, a story that paints the nostalgic picture of an artisan, who handmakes her premium product in the traditional setting of a beautiful Victorian house surrounded by rustic woodland.

Fire pit with natural rock border.

Circular stone sett surround installed flush with deck.

Ash logs repurposed to provide informal seating around fire pit

Seating area with picture window view through trees towards sea. Rustic table and benches fashioned from solid oak.

Benches as flexible seating option
can be grouped around fire pit

Millboard vintage oak
Composite board, won't
rot or deteriorate, is slip
proof and easy to maintain

Sandstone paving setts

Low level of planting separates working area from deck and brings the woodland scheme in from the periphery

Pizza oven is grouped with smoker in a clearly defined working area enclosed by matching brickwork. Smoker painted white.

Install glazed canopy to shelter working areas and access to house. Style of canopy to be in keeping with the house.

VIEW OF WORKING AREA

Brick as a continuous feature ties in deck and combines pizza oven and smoker into an island with additional heat proof work surface adjacent to pizza oven.

Cast iron columns available in a selection of styles featuring various degrees of ornamentation. Separate catalogue will be supplied. Suggested colour: Dark grey/charcoal

Install oak counter above current log storage.
Provide tags on hooks for flexible labelling system identifying wood type

Tall corner posts of fence frame picture view and serve as lamp posts and attachment points for sun sail

WOOD STORE AND EATING AREA

Bar with oak counter, body formed of brick to match yellow brick of adjacent wall. Fridge, storage drawers and sink with ice box included. Retain access to drain below.

Stone step to match threshold on building (York stone?) set as stepping stone into green verge between deck and path

Oak framed blackboard

VIEW OF BAR
