Thank you to Mary Queen of Ireland G.N.S Co, Dublin primary school for our lovely Christmas cards and decorations. You helped make this Christmas a very special one.

Santa Claus came to Town

We at Oakwood would like to give a big thank you to our maintenance guy Patrick who stepped in as our Santa Claus this year. He did an amazing job. Our Residents loved him. Such a great team player. Thank you Patrick. We made some very special memories which we will cherish forever.

St Kevins Primary NS Gifts

We received fabulous gifts from the children of St Kevins Primary National School Donaghmeade. The principal Ms Orlagh Leonard organised it all herself and wrapped them. The 2nd class children wrote the letters. We wish to thank Ms Leonard and children for their kindness.

Christmas Crib

The Residents love their Christmas Crib and had great conversations taking about it and sharing stories over Christmas.

STORIES FROM

December

Christmas Day Festivities

What a wonderful Christmas Day we had here at Oakwood Lodge Nursing Home. We started the morning with a fab full Irish breakfast, then Mass service from St. Canice's Church followed by a beautiful Christmas dinner with all the trimmings, pulling crackers and everyone opened a present. We toasted a number of times to everybody's good health. The party continued with Christmas music and reading of jokes from the crackers. In the evening we sat and relaxed with a Christmas movie and hot chocolate.

Loreto College students bring Christmas joy

The wonderful secondary school students from Loreto College in Swords delivered Christmas gifts to all the Residents and staff. Such a lovely gesture and everyone was so grateful!!
