

Festive Cabin

We brought a festive feel to our Visitor's Cabin with a real Christmas tree which we absolutely love!!

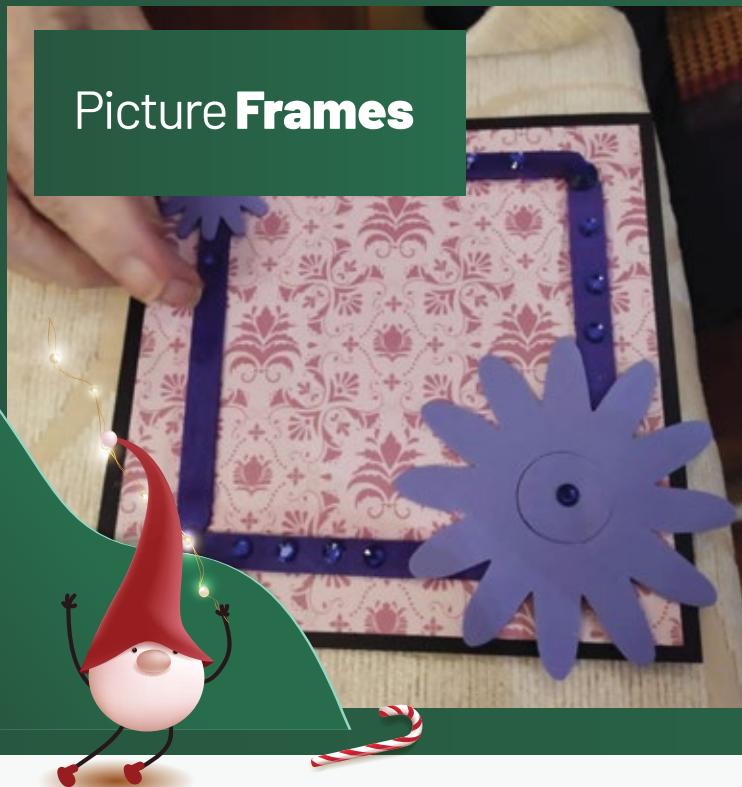

Christmas Tree

We have some great memories from all the time spent cosying up in front of our beautiful Christmas tree over the festive season, ones we will cherish forever. We think we might leave it up a little longer than usual this year. We just love the jolly feel that it brings to our Home!!

Picture Frames

We have been very busy in St. Gladys' Nursing Home making photo frames to store our favourite pictures in. We love to have creative activities especially on cold winter afternoons.
