# Stories from October 2020

## Autumnal Art

The residents were feeling very Autumnal and spent a lovely afternoon painting leaves to decorate our walls. Arts and Crafts are an important part of life here at St. Gladys Nursing Home.

## Afternoon Tea and Cupcakes

The residents enjoyed a lovely afternoon tea party in St. Gladys Nursing Home and our chef whipped up some fabulous cupcakes!!

## Fun and Games

We have great fun in St. Gladys Nursing Home playing board games - keeping our brain's active and having fun at the same time!!

## Halloween Decoration

The residents and staff had fun decorating St Gladys's Nursing Home for Halloween 2020 and loved getting into the "Spirit" of things!!

## Arts & Crafts

The residents enjoyed an afternoon of arts & crafts, where they put their knitting skills into action!!

# Stories from October

## Lovely **Surprise**

One of our residents got a surprise present from a penpal. He was so happy and emotional. It was a lovely thing to do for someone who does not have many people to come and see him. A very thoughtful gesture!!

## Music **Concert**

Our residents in St Glady's were treated to a beautiful concert. Every window was open and our Residents were listening and watching from the comfort of their chairs - it was truly magical.

## Pumpkin Carving

We had great fun carving pumpkins, with lots of memories made for our Residents and our staff. Thank you to Nurse Rincy and Healthcare Assistant Siobhan for happily posing for pictures.

## Rock **Art**

'The residents were busy painting rocks from Bray Beach, each design is meant to brighten up our garden in the winter months. Everyone had a choice of creating their own image or using some pictures from the internet. We were delighted with how they turned out!!

## Love **Tree**

We had so much fun making this gorgeous "Love Tree".

All the residents added their names to the tree and we were delighted with how it turned out.
