

Afternoon Tea

We had a lovely afternoon tea party in Nephin this week - a perfect way to spend a rainy afternoon.

Who doesn't love tea out of a china cup?!

Bingo

The residents enjoy lots of fun activities in Nephin including the very popular bingo session - a serious affair!!

It gets very competitive and everyone want to win!!

Halloween Baking

The residents were busy baking Halloween pumpkins made from rice krispy treats.

Who doesn't love getting their hands dirty and feeling like a child again!!

Lavander Bags

We made "Lavander Bags" with our Residents which they can put into their wardrobes or just hang in their bedrooms. Each resident received a special bag which they painted & decorated with the help of our Activities Coordinator Rachel. When the bags were dry the residents packed them full of fresh lavender, pine cones and wonderful smelling flowers. We loved this creative activity and the smell was heavenly!!

Friendly Surprise

Hi,
My name is Marie - I just wanted to write to you to wish you a happy Halloween.
My kids love drawing & art and wanted to send you some of their pictures, their names are Cian (aged 7) and Alisa (aged 5). Alisa loves dogs and is doing her best to convince me to get one. They are both very excited for Halloween - Cian is dressing up as a vampire and Alisa is dressing up as a witch. They are looking forward to eating alot of sweets too.
I hope you are taking care and know that everyone is thinking of you at this time.
Take care
Marie

The residents in Nephin are always delighted to receive post and this lovely letter and picture arrived from Marie and her children Cain (aged 7) and Alisa (aged 5).

We love it and we are very grateful that you thought of us!!

Halloween Art

The residents were busy getting crafty with Halloween art work!! They drew pictures onto tracing paper then painted them so when the light shines through, the pictures come alive.

Martha from Galway

"My name is Martha Tolley, I am 13 years old and I live in a small village in County Galway. It looks like you will be missing your family and friends over the coming weeks because of Covid19 restrictions. I wanted to send you this picture to remind you all that you are loved and are very special. We all look forward to better times when God will remove all sickness. Take care all of you. Your friend, Martha Tolley."

We received this lovely mail in Nephin Nursing Home from a young lady called Martha from Galway who wanted to wish our Residents well.

We are so grateful for the post we receive that lift our spirits!!

Rock Art

The residents got creative and painted some rocks from Bray Beach to decorate the flower beds in the garden. They wrote little messages and copied designs onto the rocks. Each design is created to brighten up our garden in the winter months.
