

A Big Thank You

We want to say a HUGE Thank You to the Byrne family for their thoughtful card and flowers received here in Terenure Nursing Home. Our Residents & Staff said that they really brighten up the place and we will be enjoying them for the next few days - the flowers will be well minded so we get the most out of them!! Thank You.

Song Fest

Thank you so much to 'Katy's Song Fest' for organising a virtual sing-a-long concert for all our Residents via zoom. It was just fabulous and we made lots of new memories.

Vaccination Day

After months of hope and anticipation, the COVID-19 vaccines arrived at Terenure Nursing Home. There was much excitement and celebration as our Residents and Staff received their first vaccine. Thank you so much to the team from HSE Ireland

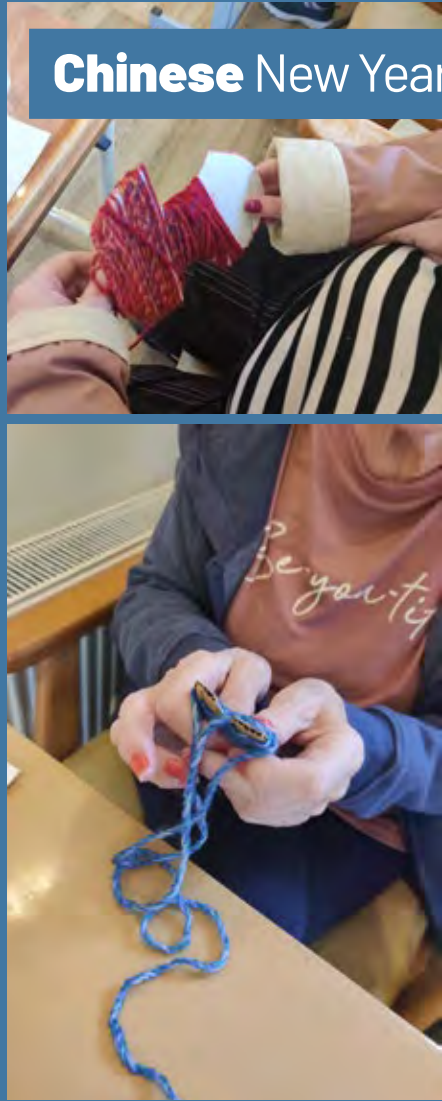

Cinema

For our relaxing cinema experience, our Residents chose to watch 'Singing in the Rain'. Each resident attending the 'cinema evening' receives their ticket earlier on that day (just to make it feel like the real deal). The Residents can choose from a variety of treats from our 'confectionary stand' to enjoy while watching the movie!!

Chinese New Year

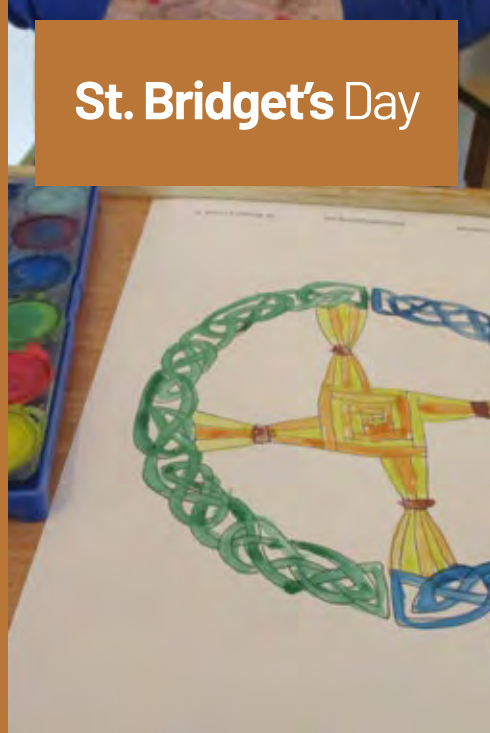

As Chinese New Year is coming soon - we at Terenure Nursing Home made an Ox as 2021 is the year of the OX. We have some talented crafters in Terenure.

International Flower Day

Our Residents had fun arranging flowers for 'International Flower Day'.

St. Bridget's Day

Our Residents enjoyed making St. Bridget's day art in preparation for the upcoming celebrations.

Movies & Pizza

Our Friday afternoon movie this week was 'Annie', our Residents enjoyed chocolate, crisps and ice pops during the movie.

A BIG thank you to Domino's Pizza Ireland for their amazingly kind gesture for all of us in Terenure, we really appreciate this and enjoyed every last bite.

Birthday Celebration

Resident's birthday's are always special occasions here in Terenure Nursing Home but during the current visiting restrictions our staff make sure they are extra special. Today we celebrated a special lady's birthday with some delicious cupcakes made by our chef! It was a lovely celebration with more special memories being made.
