

Our special **Bird Feeder**

We absolutely love our beautiful bird feeder that was hand made for us from a family member who wanted to give us something special from his father who unfortunately has passed away. We will cherish it for years to come.

Blanket of Love

WOW we thought this blanket, a gift received by John Daly from his Son and family, is just fabulous. There was lots of OOH's and AAH's from the other Residents & Staff here in Oakwood Lodge Nursing Home when John showed off his new snuggly blanket.

Bluetooth Headphones

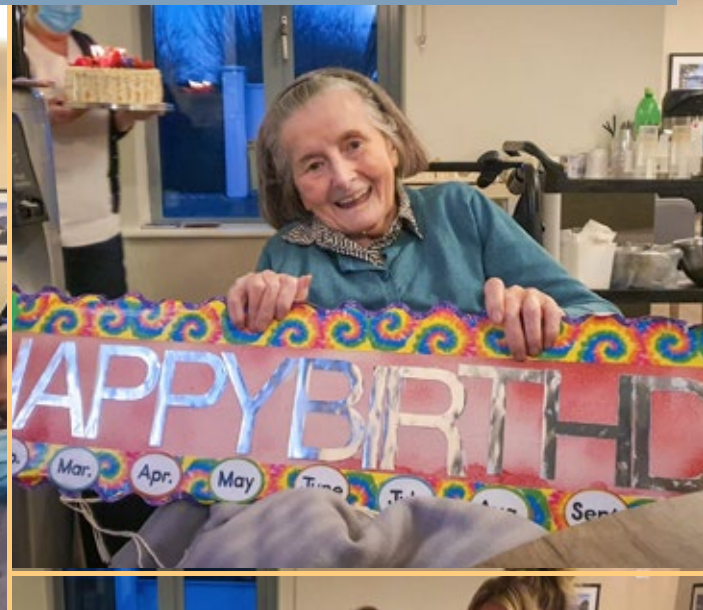

Our Residents really enjoy listening to the music on the blue tooth headphones. They sing their favourite song to their hearts content, it's truly wonderful and brings great joy.

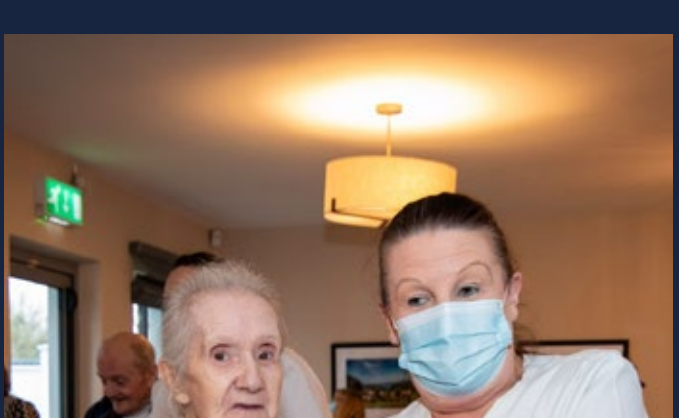

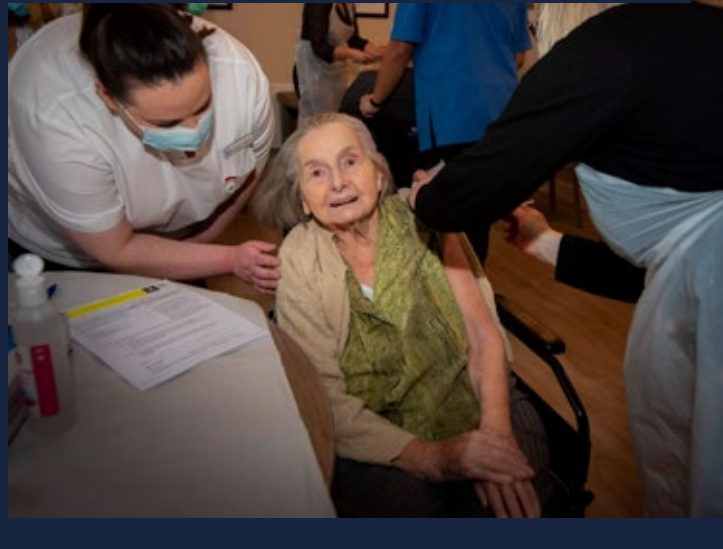

A Special Birthday

A special happy 79th birthday to the one and only Aileen!! She had a wonderful day with a lovely cake made by our chef Melchor, lots of singing and a gift from staff. Her smile would brighten any room!!
