

Busy Bees

We had great fun in the run up to St Patrick's Day at Nephin Nursing Home. Our Residents, guided by our Activities Coordinator Rachel, were as busy as bees making St Patrick's Day Decorations and couldn't wait to showcase their work.

Bingo Fun

Bingo is one of the favourite activities for our Residents here in Nephin Nursing Home and is taken very seriously - heads down and concentrating on the numbers as they are called by our Activities Coordinators Rachel and Egle. This week's winner was Joe who got a full house and chose a lovely cuddly toy as his prize.

Active Days at Nephin Nursing Home

At Nephin Nursing Home, we want our residents to live each day to the full. Our staff encourage them to continue to enjoy their own interests and hobbies. Art, craft, exercise, music and games – we offer a wide range of activities to cater to regular pastimes, or take up fresh pursuits.

Easter Cross

Our fabulous and industrious Residents here in Nephin Nursing Home built an Easter Cross made with popsicle sticks. This was part of our Arts & Crafts Activities Programme. Our Residents did a wonderful job and are very proud of their work.

Palm Sunday

On Palm Sunday we celebrated mass with our local church online. Our Staff are now trained to be able to give the sacrament, which is a great comfort to those who wish to receive it.

Parachute Game

Our parachute game not only gets our Residents moving here in Nephin Nursing Home but it's great 'craic' and enjoyed by all. Afterwards it's time for a cuppa and a rest while we all catch our breath - ha ha!!

Mother's Day Celebrations

What a wonderful and FUN day we had today at our Nephin Nursing Home 'Mother's Day/Ladies Champagne Brunch'. Our staff pulled out all the stops to make the day fun and special.

Artists at Work

Our Arts & Crafts programme here in Nephin Nursing Home brings out the talents in many of our Residents who create some fabulous artwork, all of course while enjoying lots of chats and cups of tea as they work.

St Patrick's Celebrations

We had a wonderful St Patrick's Day in Nephin Nursing Home. Our Residents were treated to a concert by Cárde - organised by Flor and we want to thank the musicians very much - they really made our day. There was lots of singing and foot tapping and merriment and lots of great memories made. Thank you to Egle, our Activities Coordinator, and the staff here in Nephin Nursing Home for making St. Patrick's Day very special for our Residents.

March

Current Affairs Group

On Monday's we have a 'Current Affairs' Group chat with our Nephin Nursing Home Residents who are interested in the subject. We read out articles and discuss them in a group debate. We also have group quizzes, all in the interest of keeping our minds sharp and active.

Family Visits at Last

We were delighted to be able to have safe visiting resume again here in Nephin Nursing Home. Mr and Mrs. Norton were delighted to have a socially distanced meeting with their family.

Sing Song

There is nothing like an impromptu sing-song and that is what happened this week here in Nephin Nursing Home when our lovely Carmel gave us a song during our Arts & Crafts programme

Arts & Crafts with Egle

We have entitled this 'Art Class with Egle' - as one of our Activities Coordinators name is Egle and she was coordinating one of the Residents Arts Classes during the week. We think her students are very diligent!! ha ha

Soaking up some Sun

Our Residents & Staff here in Nephin Nursing Home made the most of the lovely weather this week by soaking up the sunshine in our lovely gardens. Our 'Walking Club' members were delighted to be able to walk outside and of course we had lots of chats whilst soaking up the rays.
