

## Afternoon Creativity at Oakwood Lodge

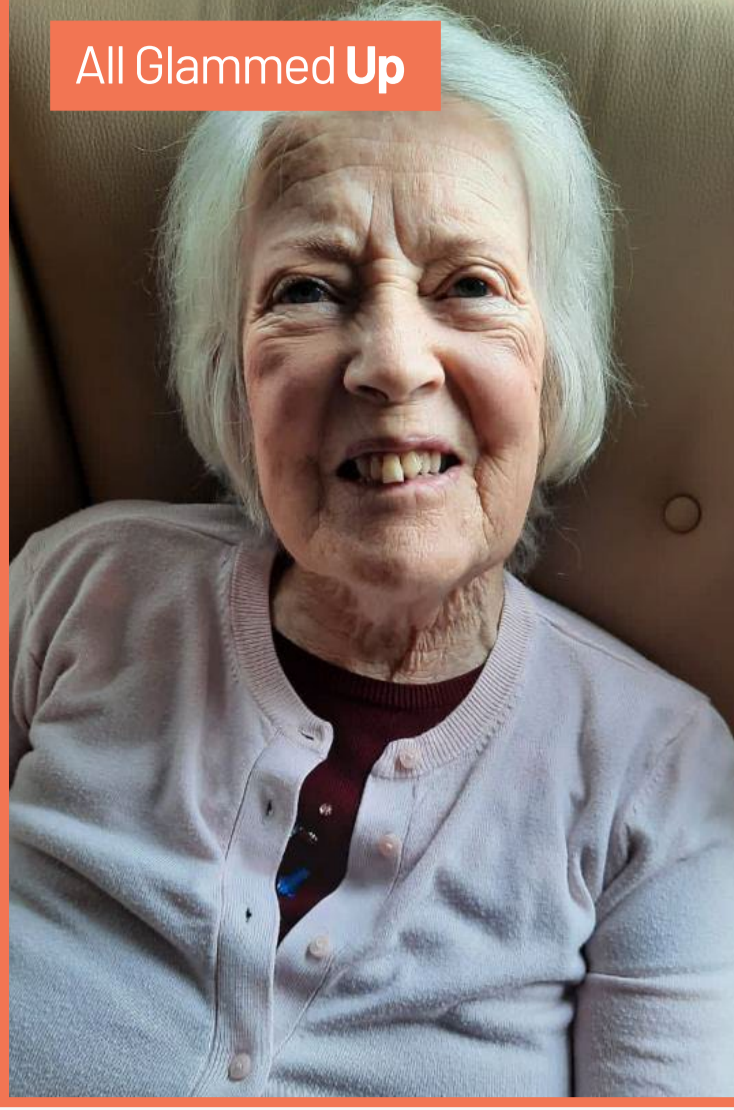

Here in Oakwood Lodge Nursing Home our Residents love a bit of Arts & Crafts as part of our afternoon activities programme. Of course it involves lots of tea drinking and chats - making more fabulous memories for the people who live in our care.

## St. Patrick's Day Preparations

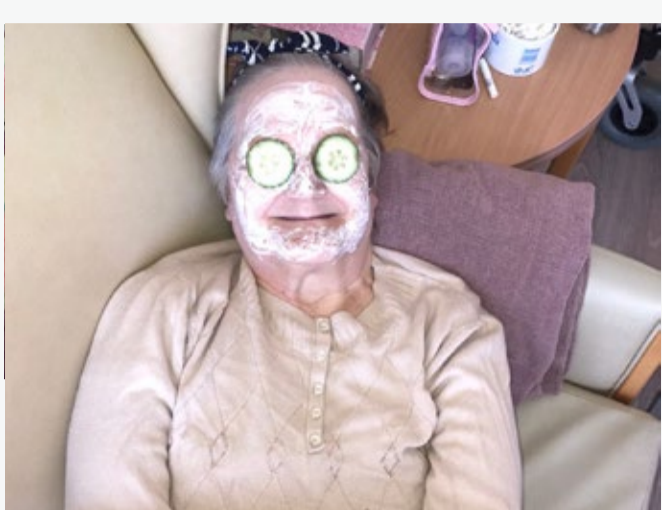

We had a very busy week preparing for St. Patrick's Day. Our Residents created lovely decorations during our Activities Programme which were showcased around our Home to get us in the mood for St. Patrick's Day celebrations.

## All Glammed Up

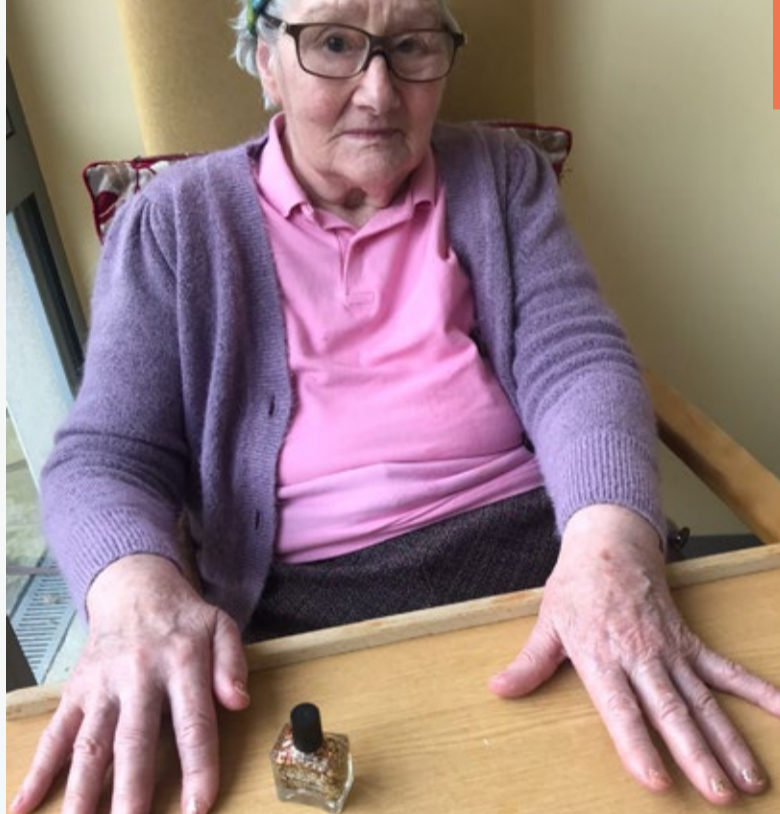

This is Aileen & Rosaleen who had got all glammed up this week - they had their make-up done by our Oakwood Lodge Nursing Home team member Maria and we think they look just lovely.

## Pamper Day

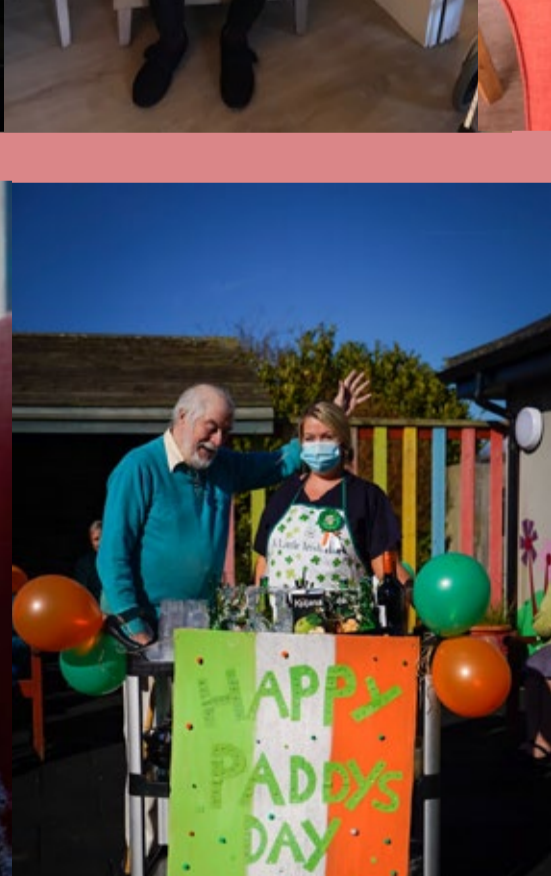

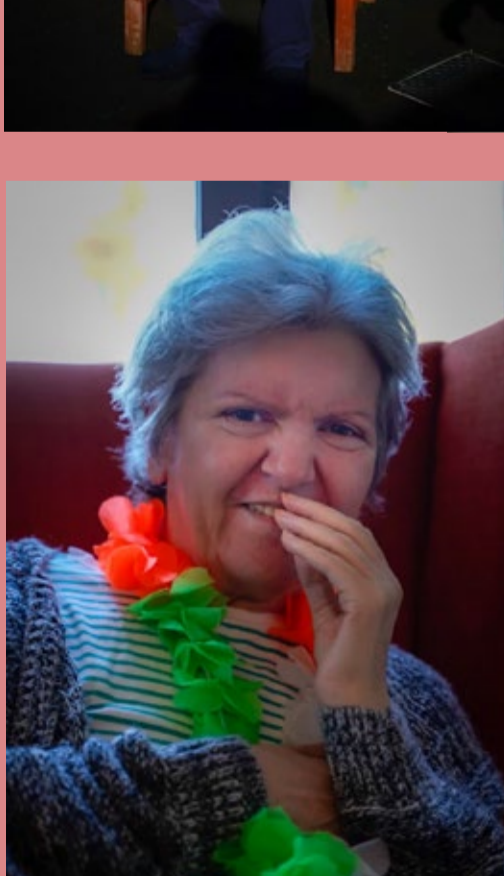

Our Residents here in Oakwood Lodge Nursing Home had such fun getting pampered in preparation for 'Mother's Day or as we like to call it 'Ladies/Mother's Day'. Such laughs and great memories were made.

## Activities Programme

Step inside Oakwood Lodge Nursing Home any day of the week and you'll always find a range of absorbing activities on offer. Our Activities Coordinators take the time to learn what residents are interested in, to plan a program that helps everyone to make the most of each day.

## St. Patrick's Day Celebrations

What a day we had here in Oakwood Lodge on St. Patrick's Day - As they say 'the craic was mighty'. Our staff put on a fabulous event for our Residents who were delighted to get into the spirit of things. Of course, the glorious weather meant that we could be outside in the garden getting some sun and enjoying the music, dance and singing. The Kitchen Staff made sure there was lots of lovely food and the staff set up the drinks trolley that had something to suit all tastes.

# March

## Mother's Day Treats

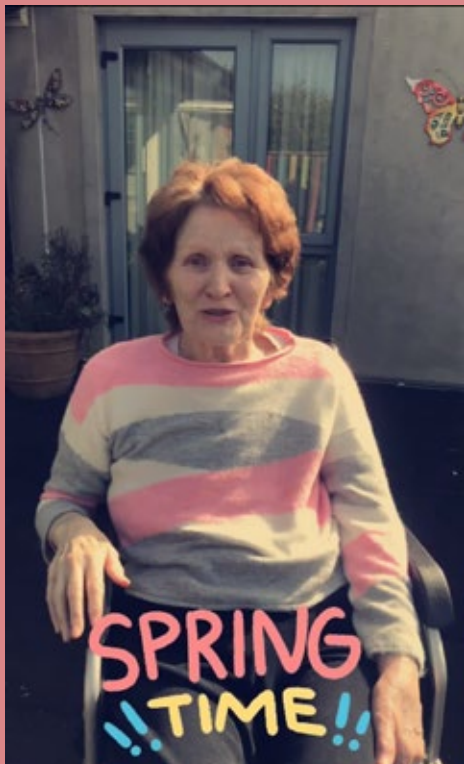

We had some very lucky Mammies here in Oakwood Lodge Nursing Home on Mother's day - pictured are Kathleen Dargan and Elizabeth Barnwell who both received gorgeous flowers and cards from family.

## Arts & Crafts

At Oakwood Lodge Nursing Home we take our 'Arts & Crafts' programme very seriously and create some wonderful artwork that we display all around our Home.

## Fun in the Sun

What a difference the good weather makes. Our Residents here in Oakwood Lodge Nursing Home made the most of the good weather this week, and with the help of our staff they headed for the garden for some 'fun in the sun'.
