

# April

## Anne's 94th Birthday

We had a lovely Birthday 'Afternoon Tea' for Anne who turned 94 and is very proud of her age! It was a glorious afternoon with cakes and plenty of tea and gossip!! Happy Birthday Anne from all of us at Nephin Nursing Home.

## Spring is Here

This is a piece of artwork entitled "Spring is Here" that our Residents here in Nephin Nursing Home have been working on. We finished it this week and our Residents are very proud of their achievement.

## Pamper Salon

Hairdressers not being open is not a problem here in Nephin Nursing Home. Our fabulous staff are also 'beauticians & hairdressers' when it is required. Here are two of our ladies - Betty & Phyllis - just out of our 'Pamper Salon'. We think the ladies look fabulous!!

## Earth Day

For Earth Day we did a Project on 'Pollution' and had an interesting discussion on our impact on the world.

## Knitting Club

We have a weekly 'knitting club' in Nephin Nursing Home - anyone can join in, all they need is a set of needles and some wool!!! It is lovely to sit around and create nice patterns and have a good natter together.

## Easter Weekend

We had a fabulous Easter weekend here in Nephin Nursing Home. What a difference a few days of sunshine makes!! We were so lucky to have been able to get outside to enjoy the music and good weather!! It was like a Fleadh Cheoil in Nephin Nursing Home with traditional Irish Music Group Flor entertaining our Residents in the garden. A memorable weekend for all involved!!

## Soaking up the Sunshine

With all the fabulous weather in April we managed to get out into the garden to soak up the sunshine. The Spring is here and Summer is on the way!!

## International Jazz Day

Our Residents in Nephin Nursing Home celebrated International Jazz Day by listening to some jazz and talking about the history of jazz music.

### Homemade Bookmarks

Our talented Nephin Nursing Home Residents were busy making 'bookmarks' as part of our Art and Crafts activities. We might start taking orders soon they are so professionally done!!

### Baking Fun

Our Residents in Nephin Nursing Home had great fun making cookies. Baking is one of our favourite activities as we get to eat the treats at the end!!

### Bingo Winners

We have our weekly bingo winners in Nephin Nursing Home, Mary P & Esther. Bingo is a firm favourite amongst the people that live here and provides endless entertainment each week.
