

A Big Thank You

We are blessed at Oakwood Lodge Nursing Home to receive some lovely gifts from family and friends. Today it was, yet again, John Daly's Family who sent in these beautiful flowers. We want to thank the Daly family for the beautiful bunch of flowers we received. Not only to John's family but to all the families of the Oakwood lodge residents who are so generous and always sending in gifts and tokens of their appreciation

Garden Fun

We have some avid gardeners here in Oakwood Lodge Nursing Home - and gardening plays an important part of our Activities during the spring and summer. This is a photo of our lovely resident Teresa who couldn't wait to get out to the garden to see our new flower beds. Teresa and the other Residents who like to garden will be tending the plants and enjoying watching them flourish over the coming months.

Personalised Room Signs

We were busy in Oakwood Lodge Nursing Home last week making room signs. All of our Residents got involved in making the signs for their bedroom doors with their names on them. Everyone had great fun picking different colours and pictures that suits their personalities.

World Hand Hygiene Day

For 'World Hand Hygiene Day' at Oakwood Lodge Nursing Home we spent a wet and windy afternoon creating this sign to help remind everyone about the importance of careful hand hygiene safety.

Fun in the Sun

We had great fun in the sun over the last few days in Oakwood Lodge Nursing Home. We decided to make the most of the good weather and set up our beautiful alter outside for our Sunday Rosary which everyone really enjoyed.

Creative Hangers

We have some very creative and industrious Residents here in Oakwood Lodge Nursing Home – for one of our recent projects, our ladies made beautiful stylish covered hangers. They chose lots of different designs and colours, and the finished products are just fabulous.

World Bee Day

For ‘World Bee Day’ we planted lots of flowers in our beautiful garden for the bees.

Another great week in Oakwood Lodge Nursing Home

We had another great week in Oakwood Lodge Nursing Home. Theresa and Bella completed a jigsaw puzzle with sheer concentration and devotion. John enjoyed a tippie (non-alcoholic of course!), while Bella got creative with some arts & crafts. Bella used to be an Arts teacher so gives us all lots of tips during our Arts & Crafts programme.
