

Fun in the Sun ☀️

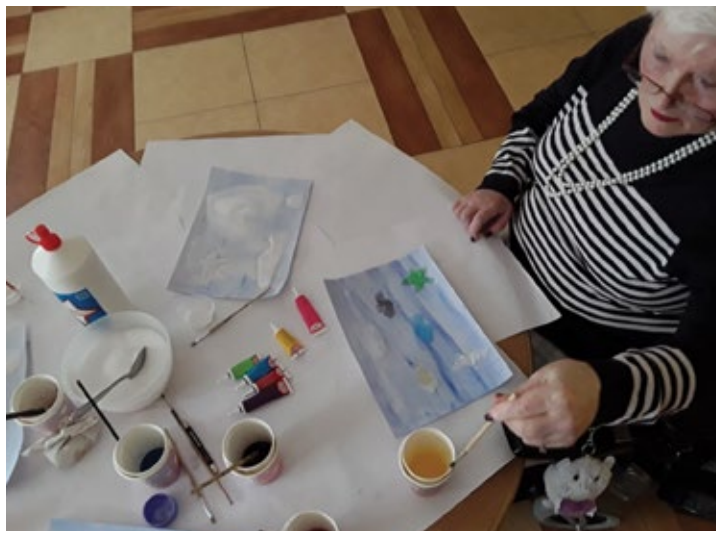

Our Tara Winthrop Private Clinic Residents just love to get outside when the sun is shining so we had a group outing to the garden to soak up some rays and enjoy the lovely weather. A lovely afternoon was had by all!!!

Julia's Birthday 🎂

We had a lovely birthday celebration here in Tara Winthrop Private Clinic for the fabulous Julia's birthday. Our Chef Joseph made her a wonderful cake and Libymol our nurse did the honours and brought it out and cut it while we all sang Happy Birthday.

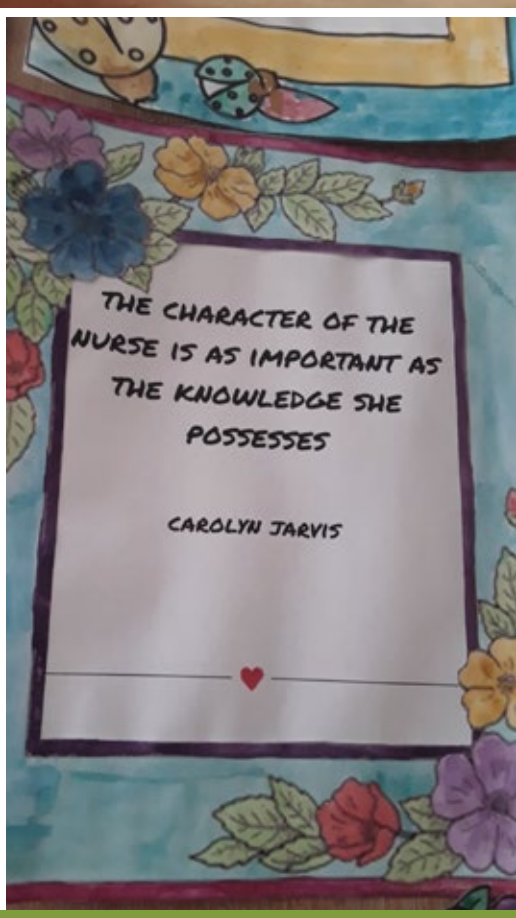

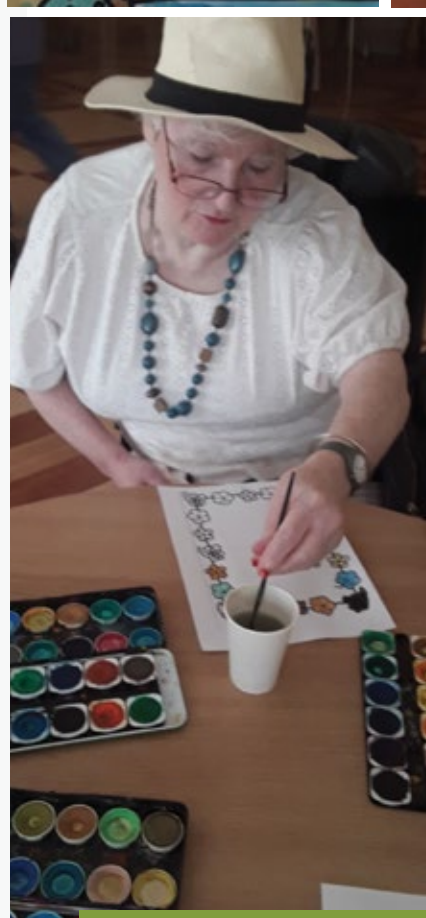

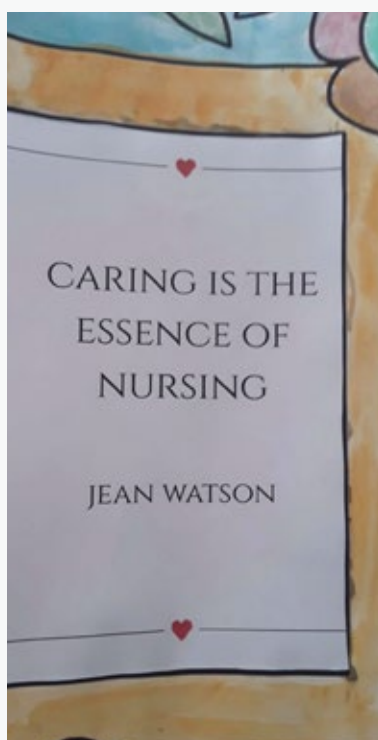

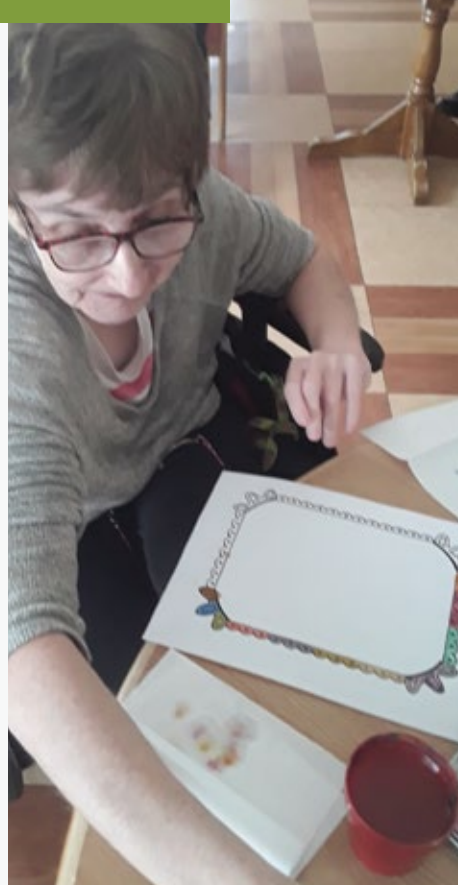

Salt Painting 🙌

Our Residents in Tara Winthrop Private Clinic got creative by doing some 'salt painting' – this is a fun activity which involves painting an image in glue and covering it with salt to make a raised pattern, then you knock off the excess salt and paint the raised images with colours, which gives a magical 3d effect.

International Nurses Day ✨🙌

For 'International Nurses Day' in Tara Winthrop Private Clinic we celebrated by decorating the Nursing Station with some quotes framed by our residents. We would like to thank all our nurses and caring staff for all they do.

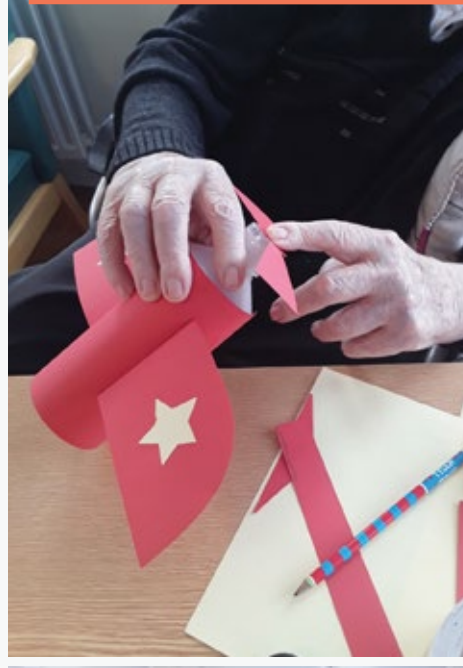

Baking Club

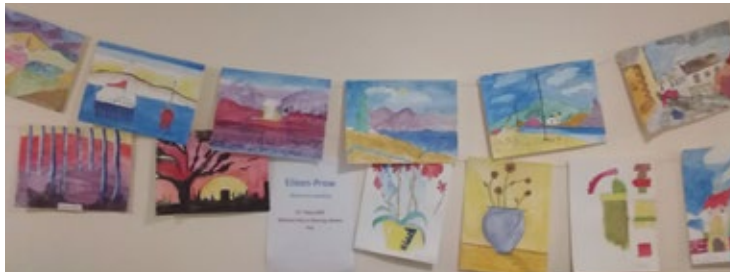

This week in Tara Winthrop Private Clinic our Baking Club decided that instead of baking we would make 'chocolate rice crispie cakes' - we enjoyed them so much that we will definitely be making them again.

Recycling Arts & Crafts Fun

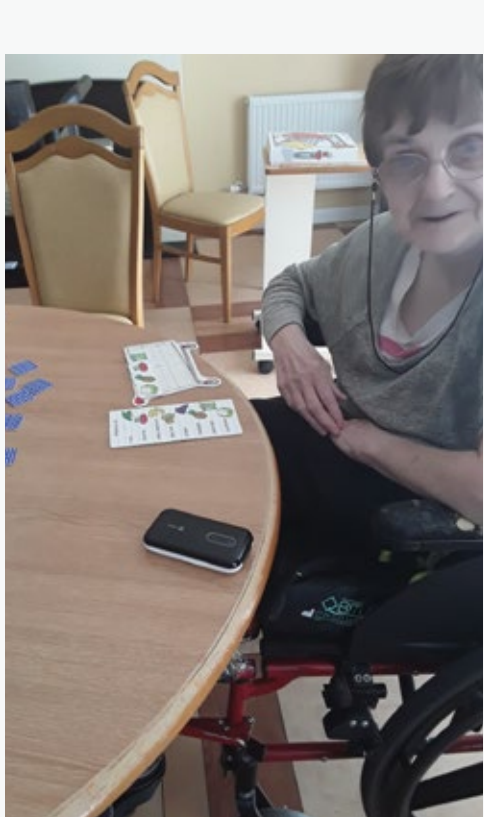

This week in Tara Winthrop Private Clinic the theme for our Arts & Crafts was 'Recycling'. Using empty sanitizer bottles Our Residents created the most beautiful planes. It involved a production line with lots of teamwork required as Marie helped by cutting out stars, while James did most of the building work.

Fun & Games

This week in Tara Winthrop Private Clinic we tried a new game - guessing the animals by their shadows or their sounds. We also played Jenga, which Carmel was the master at, as well as the 'Shopping List' game, which is a firm favourite with our Residents.

Africa Day

For 'Africa Day' our fabulous Tara Winthrop Private Clinic artists Marie, Carmel and John made beautiful paintings with some African animals and mask.

Crafty Fun

There is nothing like some 'crafty activities' to get the senses flowing. Our Residents made some fabulous sensory cushions made of different fabrics – a great way to focus on an activity or simply to relax. We were delighted with how they turned out.

We had such fun in watercolour class at Tara Winthrop Private Clinic, with our 'birds sanctuary' being our inspiration. It was a lovely way to spend the day. We have some very talented artists in our midst.
