

## A Big Thank You

What can we say - we were just so surprised - and of course delighted - to receive these beautiful hampers, one for day staff, one for night staff. They were a gift from the Kelly Family in appreciation for caring for their husband / Dad & Grandad - which was our honour and privilege.

## Arts & Crafts

We love Arts & Crafts in St Gladys's Nursing Home and everyone really enjoys the 'Painting Class'. Our wonderful Resident Anne, pictured here, was in fits of laughter - having the craic!!

## Mobile Music Machine

The Mobile Music Machine were back in St. Gladys's Nursing Home on a sunny Thursday May 6th to entertain our Residents, who enjoyed the concert very much from the comfort of our sitting room - they were all snuggled up watching the concert through the glass doors. Thanks again to Mobile Music Machine and to own staff for the concert hall arrangement!!

## International Nurses Day

We celebrated 'International Nurses Day' in St. Gladys's Nursing Home and our hardworking nurses were presented with 'certificates of appreciation'. They also received fob watches with their names engraved on them as a token of appreciation for all their hard work.

## National Arts in Nursing Homes Day

For 'National Arts in Nursing Homes Day', part of the Bealtaine Festival in partnership with Age & Opportunity and Nursing Homes Ireland, our Resident artists painted ceramic flowers, which we have on display in our home. We also made pom poms, which we used as props for our 'movements to music' session. Our Residents had great fun expressing their creativity and imaginations.

## National Tea Day

Thursday May 6th was National Tea Day - an initiative to raise funds for Alzheimer's Society who called the NATION to TEA! Here in St. Glady's Nursing Home, we took out the best china and our cake stands were overflowing with baked treats. It was a lovely afternoon with lots of chatting and reminiscing.

## Sunshine and Ice-cream

We made the best of the sunshine here in St. Glady's Nursing Home over the weekend and went out into the garden to enjoy our ice-cream - a lovely way to spend the afternoon.

## Baking with Kenneth

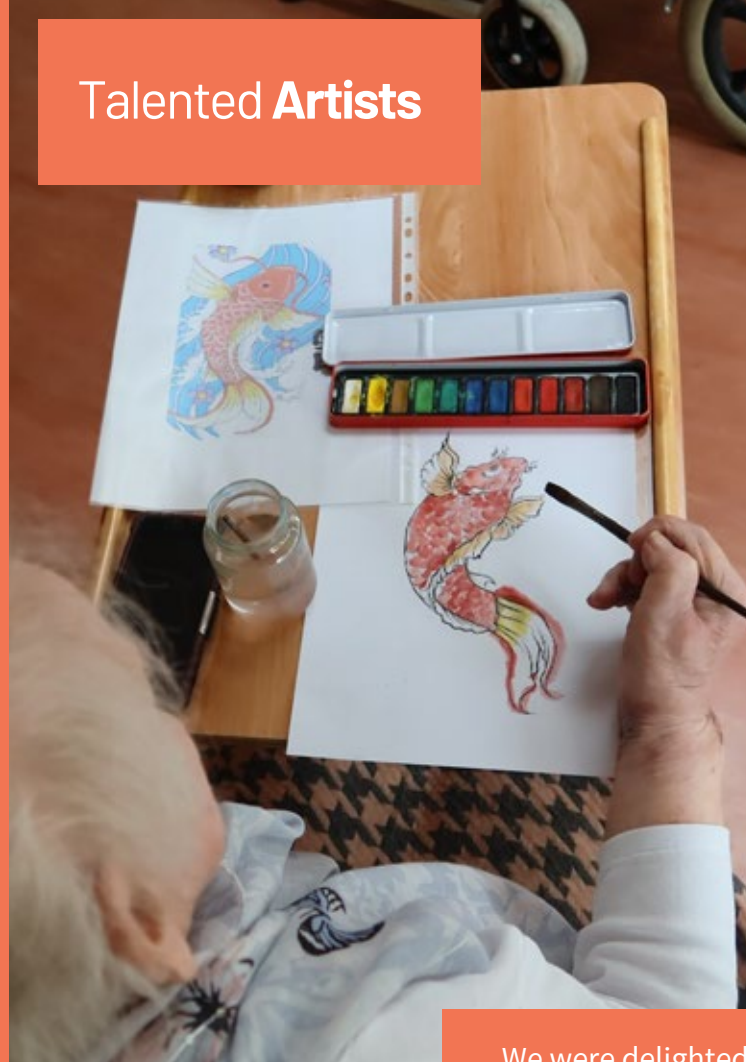

'Baking with Kenneth', our wonderful chef, is a much enjoyed activity here in St. Glady's Nursing Home. This week Mairin and Marie were 'supervising' Kenneth - ha ha!! As a team they created fabulous treats that were enjoyed by all with a cup of tea. Well done ladies & Kenneth!!

## Talented Artists

We were delighted to welcome back Tracey Gevers who works with our Residents on our Arts & Crafts programme. We have some very talented artists here in St. Gladys's Nursing Home and it shows in these photos.

## Gardening Fun

Our Residents here in St. Gladys's Nursing Home were out bright and early for a spot of early morning gardening. Our keen gardeners, led by Margaret, were repotting, planting and watering and are just delighted to see the sunshine and dry weather so they can get out in the fresh air.

## Birthday Celebrations

We love birthday celebrations here in St. Gladys's Nursing Home and had two big birthdays this month. Lillian who is 95 years young was delighted with all the excitement and fuss that was made over her, and James was equally thrilled to be able to welcome his daughter Yvonne into our Home where she was able to deliver his birthday card and gift in person.

## An Afternoon of Music

What a great way for our St. Gladys's Nursing Home Residents and Staff to spend an afternoon - singing along, tapping feet, clapping hands and dancing to the fabulous Music Man Mikey.
