

Summer Solstice

We celebrated the Summer Solstice with music from Mickey and we created some Art to mark the occasion by painting the sun and moon. It was also Emily's birthday so we celebrated with a cake and a singsong!!

Pamper Day

Our Residents enjoyed having their hand & arm massages in Terenure Nursing Home and loved the smell of the lavender oils and creams. Every week, the ladies and gents in Terenure have their pamper day. Nails are done, Hair is done, and all our Residents are in ship shape!!

Summer at Last

There was a flurry of activity here in Terenure Nursing Home when we saw the sun was out again. Our Residents got their watering cans ready to tend to the flower beds. The factor 50 Sunscreen was administered by the staff before the Residents made their way to the garden. As well as soaking up the rays, there was lots of discussion and comments on the flowers and when was the best time of the day to water the plants etc.

We had a wonderful art session in Terenure Nursing Home and made these marvellous pictures, that when put together make a large collage of an Irish Breakfast which we will put up in our dining room. We also had Mass this morning and after Mass, we had our exercise class where we focus on our joint exercises as we sing-a-long to old favourites.

Busy Bees

We were busy bees here in Terenure Nursing Home. Exercising and a bit of pampering was the order of the day. We played ball games in the garden, then the ladies opted for a manicure and for those who wanted to attend mass - we enjoyed an online ceremony.

Lots of Activities

It was all go yesterday in Terenure Nursing Home. In the morning we had 1:1 sessions of exercises and walks. Residents enjoyed games in the sitting room as we sang along to some Perry Como! Next up was our ice-cream break, a current favourite with our Residents who just love to cool down in the afternoon during our afternoon activity.

Bloomsday

We had great fun celebrating Bloomsday in Terenure Nursing Home. The day is named after Leopold Bloom, the central character in Ulysses. People all over Ireland celebrate and wear hats so we decided to join in on the fun. Also, our wonderful Resident Kathleen shares her birthday with Bloomsday so we celebrated with cake and lots of treats.
