## Baking **Al-Fresco**

It was so warm in College View that we decided to take our baking class Al-fresco - It was lovely to be able to get outside in our garden and enjoy the sun. Well done to our bakers who made these tasty chocolate buns, they were delicious!!

## National **Heritage Week**

We had great fun in College View Nursing Home this week. We spent an afternoon learning about some of our Celtic Heritage ahead of 'National Heritage Week' as well as a painting class to try to recreate some of our historical colourful artwork.

Everybody enjoyed exploring our history and it was a lovely afternoon.

## Clay **Therapy**

There is no end to the talents of our Residents here in College View Nursing Home. This week they turned their hand to creating art masterpieces out of Clay! We think they are just wonderful. Modelling clay therapy, as well as being a great creative activity, also stimulates some of our finer motor skills.

## Ice Cream Van

It was a hive of activity here in College View when 'Smith's Ice Cream Truck' came to visit us - The Residents were delighted with their 99's - a lovely treat on a sunny afternoon!!

## Summer BBQ

Our Summer BBQ 2021 was very special as our Residents & Staff were able to be together to enjoy a fabulous day. The Chef & Kitchen Team surpassed themselves providing wonderful BBQ food. It was an entire team effort to decorate the outdoors and indoors and it was worth it. Everybody had a great day making lots of lovely memories. A huge thank you to all involved and to our guest musicians.
