A Letter from the President

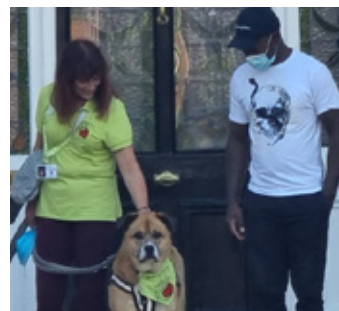

Our St. Gladys Nursing Home Resident, Maureen, was just thrilled when she received a letter from the President of Ireland Michael D. Higgins on her birthday and said she will cherish it and wanted to thank the President. Congratulations again Maureen on your 100th birthday.

An Afternoon of Music

We had a wonderful afternoon of harp music and singing by the very talented Aisling. It was a fabulous occasion which was thoroughly enjoyed by all.

A Visit from Duke

Duke the Therapy Dog came to visit us again in St. Gladys Nursing Home. Our Residents and Staff just love to see Duke - he is so friendly and cuddly and loves to get attention from us all.

Mobile Music Machine

We were delighted in St. Gladys' Nursing Home to have the Mobile Music Machine visit us last week and provide us with some fabulous entertainment - it was a wonderful afternoon and everyone loved the tunes.

Prayers & Blessings

We had a visit from Father Anish John and the former secretary of St Thomas Indian's Orthodox Church Saji, to bless our Home and say prayers with our Residents. It was so long since our last visit, we were delighted to receive their blessings. Our Activities Coordinator Ebby presented Father Anish with flowers as a token of our appreciation.

Lavender Bouquets

Our St Gladys' Nursing Home Residents made some beautiful bouquets of lavender from our garden. Together we cut and gathered enough flowers before bunching them together with string and our plan now is to leave them to dry so we can enjoy their wonderful aroma.

Over the weekend in St Gladys's, our very talented Resident Mary finished the lovely table cover she started last month. It looks so pretty on the table with the roses picked freshly from our garden.

Lazy **Sundays**

Our Residents here in St. Gladys's Nursing Home had a lovely relaxing Sunday afternoon. Some spent their time doing some artwork while listening to music, while others opted for a game of darts or cards. A fun-filled day all round.

Ice Cream Van

Who doesn't love the sound of the Ice Cream Van jingle - and that is exactly what we heard when 'Ben's Ices' came to visit us. Oh the excitement as all our Residents and Staff ordered their 99's. We couldn't wait to tuck in. It was joyous treat!!

We have been creative this week in St Gladys Nursing Home. Tracy, our Art Teacher, has been helping us make Mr. and Mrs. Pot People for our gardens and we are just delighted with the finished results.

Garden Party

We all had a fabulous afternoon at our Garden Party/Sing-Song with Mikey which took place on Friday July 23rd. Our Residents had a ball singing and dancing while basking in the glorious weather.

Summer BBQ

Our Summer BBQ here in St. Gladys Nursing Home was certainly one to remember. Our fabulous entertainer Mickey led the singing and our Residents joined in, with some giving a solo performance. The craic was mighty, the food was delicious, and It was a wonderful occasion. Thank you to all the Team for making it such a success. We're already looking forward to next years BBQ.
