STORIES FROM

SEPTEMBER

Mary's Birthday

This week our beautiful resident Mary celebrated her birthday in style here in Oakwood Lodge with her friends and our staff. Mary says she never tells her age as she still feels 21!! Happy birthday Mary from all at Oakwood Lodge Nursing Home!!

A Visit from **Fr Roy**

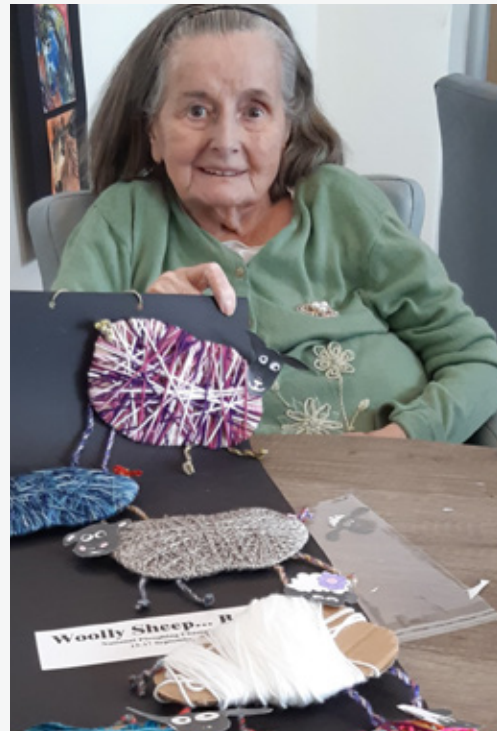

Our Oakwood Lodge Residents were delighted to welcome Fr Roy into our Home to say mass and deliver Holy Communion.

A Beautiful **Sunflower**

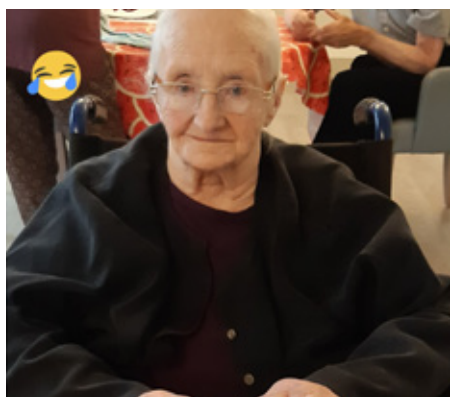

Our wonderful resident Mary received a beautiful sunflower from her family and enjoyed sitting in the sun planting it in one of our recently decorated flowerpots. Mary was telling us stories of how she always enjoyed planting, especially with her mother. It was a lovely afternoon spent reminiscing about old times.

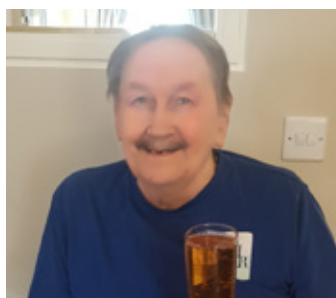

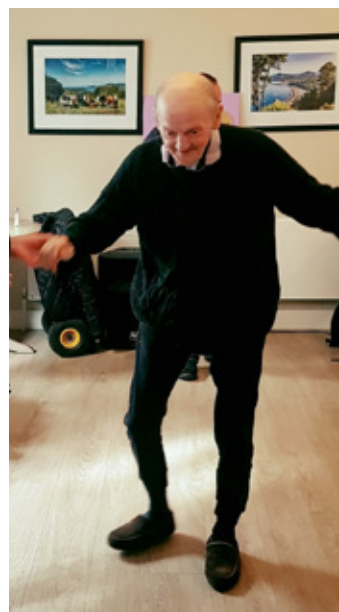

We have very artistic Residents here in Oakwood Lodge Nursing Home and this week, with the help of our fabulous Art Teacher, Tracey, the theme for the Art Workshop was Sheep. Our Residents enjoyed the session and said they found it very relaxing, and the best part is that we now have this lovely artwork to decorate the walls of our home.

Art Class with Treacy

This week in Oakwood Lodge Nursing Home we had a lovely morning art session with Tracey, who guided our Residents in creating some fantastic seascapes. It was a really enjoyable class and our Residents had lots of fun.

Another **Fun Week** at **Oakwood Lodge**

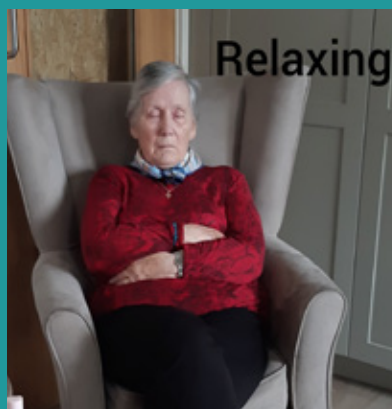

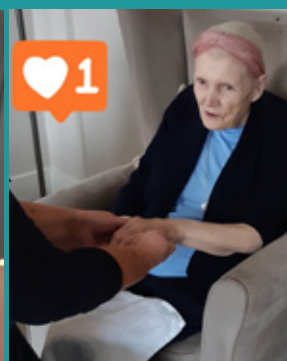

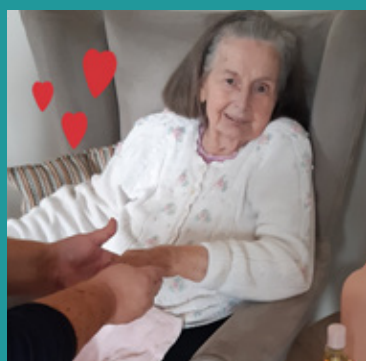

We had great fun in Oakwood Lodge Nursing Home this week. We had a bit of a party with 'Interaction Music' and it just so happened to be our Healthcare Assistant Karen's birthday so of course, we had to celebrate!! There was lots of cake, treats and dancing to mark the occasion!!!

A **Wonderful Surprise**

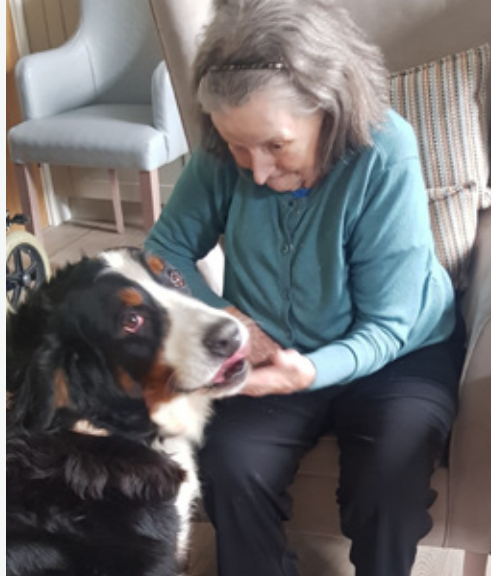

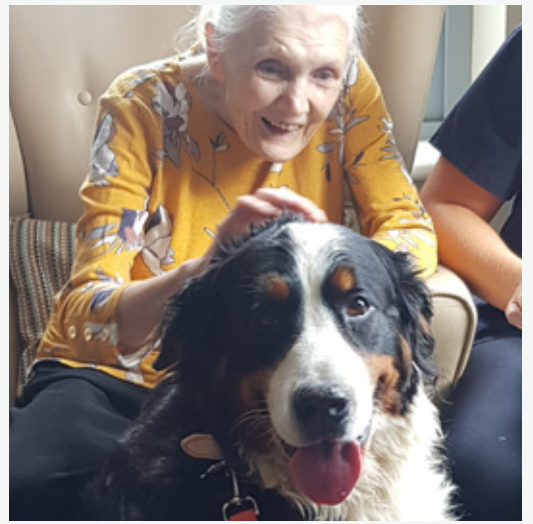

There is nothing as nice as being surprised with a fabulous bunch of flowers - and that is what the Daly Family did for us this week. We received this wonderful bouquet of flowers in Oakwood Lodge Nursing Home. Pictured here is our wonderful resident June admiring the gorgeous scent off the flowers. Thank you again to the Daly Family.

Aromatherapy Session

We had a lovely aromatherapy session in Oakwood Lodge Nursing Home this week. The smell of lavender oil around the room was so relaxing and our Residents really enjoyed the feeling of the hand massages.

Holly the Therapy Dog

Holly the therapy dog is becoming a regular visitor to Oakwood Lodge Nursing Home. This week was her second visit and what a welcome she received - as soon as Holly was at the door Dermot was straight out to welcome her in and all of our other Residents trailed closely behind. Holly brings such joy to us all and we are already looking forward to her next visit.
