Halloween Arts & Crafts

The theme for our Arts & Crafts Programme this week was of course 'Halloween'. Our fabulous Residents got creative and made lots of lovely carved pumpkins and artwork to deacorate our Home for the much-anticipated Halloween Party.

Creative Artists

Our talented Residents were hard at work creating some fabulous new artwork in the form of 'Autumn leaves' with the help and direction of our guest Artist Tracy. All are now displayed in our mini Art Gallery in Tara Winthrop for everybody to enjoy.

Fun Activities

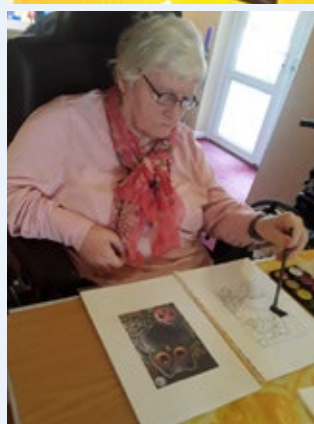

Our Activities Coordinators had lots of fun activities lined up for our Residents this week including a new active game with bows and arrows - it was great fun. We also played some board games and Bogdan stepped up in his Lego adventure by building a Chevrolet.

Mental Health **Hero**

Congratulations to our lovely Carmel who was awarded a Certificate for being Mental Health Hero for 2021 as she was collecting money for Pieta House, Preventing Suicide and Self Harm. Your friends here in Tara Winthrop Private Clinic Swords are all very proud of you Carmel. Well done!!

Owl Decorations

Trade was in a blaze here in Tara Winthrop Private Clinic with our Residents forming a production line to create some Halloween decorations - with the 'Owl' as the theme. We think they are fabulous.

Halloween Fun

We went all out for Halloween in Tara Winthrop Private Clinic. The faces were painted, the costumes were put on and the party was rolled out. Lots of laughs and great memories made. Thank you to all involved in making Halloween 2021 so much fun and memorable for both Residents and Staff.
