

A Visit from Bonnie

Another visit from the wonderful Bonnie, the therapy dog. Our Residents love to see her and she loves all the attention too. Pet therapy is great for our Residents as they really enjoy the comfort of getting close to Bonnie as they reminisce about their own pets in the past.

Arts & Crafts

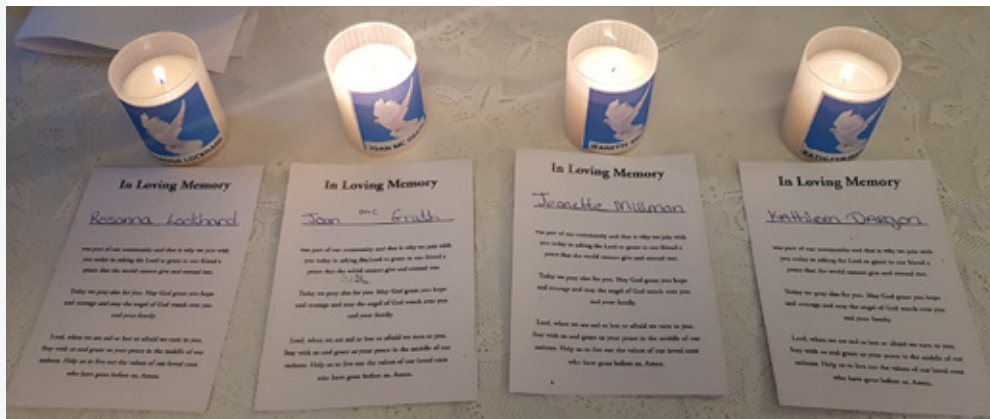

Our Residents here in Oakwood Lodge Nursing Home were getting creative during their Arts & Crafts activity. With some guidance from our guest Artist, the wonderful Tracy, they created some lovely pieces of artwork that will now be displayed in our home. Well done to all!!

Christmas Post Delivery

The first Christmas cards of 2021 were received by our staff from our wonderful Resident Mary - pictured here in her 'office' writing the cards and then presenting them. Well done Mary on being so organised with the Christmas Cards and thank you from all the staff for your kindness.

Remembrance Mass

This week we had a lovely mass, said by Fr. Rajesh and attended by our Residents and Staff, remembering all our loved ones that had passed in the last 12 months. We think and talk about them daily. May they all Rest in Peace.

Christmas Preparations

Ohh the excitement as we prepare for Christmas 2021 here in Oakwood Lodge Nursing Home. This week we decorated the Christmas tree - it was a group effort of Residents and Staff and we think it turned out just fabulous.

A Fond Farewell

We would like to wish our amazing Chef Roldolfo all the best for the future as he leaves our Oakwood Lodge Nursing Home family for the next chapter in his life. Thank you for all the scrumptious food and for your legendary spread for the Christmas and Summer Parties. We wish you all the very best in the future!!

Party Time in Oakwood Lodge

We had a wonderful afternoon of singing and dancing in Oakwood Lodge Nursing Home. Thanks to Anto, Interacting Music Man for getting us all moving. We all had a blast!!
