

## Sing-Song

There is nothing like a good sing-song to lift the spirits - and that is what we had in St Glady's Nursing Home this week. Our talented Residents and staff took to the microphone to sing their favourite songs - it was a lovely afternoon.

## Games Afternoon

The game of choice this week for 'Games Afternoon' was skittles. And let us tell you, we have some very competitive residents here in St. Glady's Nursing Home as we found out during our game of skittles. Great fun was had by all!!

## Christmas Preparations

It is a HO HO HO from the Residents here in St Gladys's Nursing Home as they prepare, with the help of our fabulous staff, for Christmas. The tree is up and decorated and the decorations are being placed all around our home!!

## Remembrance Tree

November is a time for remembering and praying for our loved ones who have gone before us and whose loss we feel. Here in St Gladys's Nursing Home we have created a special Remembrance Tree with the names of our loved ones printed out and placed on the tree.

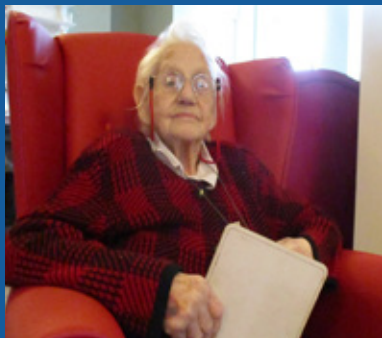

## The Music Man Mickey

Our Residents and Staff here in St Gladys's Nursing Home just love a good sing song. 'The Music Man Mickey' came to entertain us and the atmosphere was electric. A fabulous afternoon was had by all!!

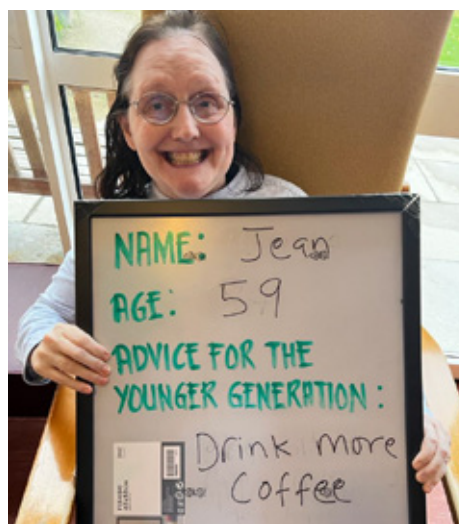

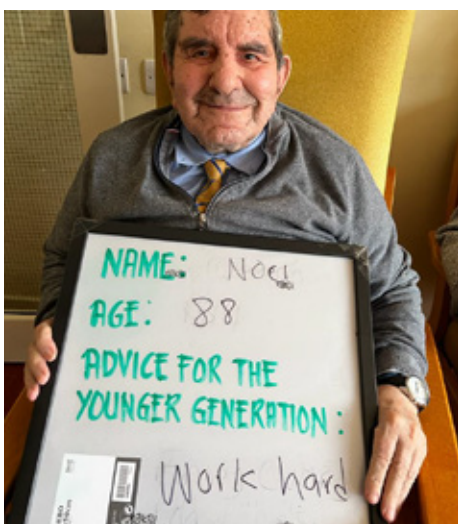

## Bingo & Treats

There is nothing like a game of bingo & some nice treats on a cold, bright November afternoon. Pictured here are Maureen, Marie, Anne and Margaret having a lovely relaxing afternoon.

## Words of Wisdom

With hundreds of years of life experience between them, our St Gladys's Nursing Home Residents decided to make a list of advice and tips for the younger generation. And with the help of our Activities Coordinators, they put the list on a board.
