

Arts & Crafts

Looking forward to Spring & Summer here in College View Nursing Home, our talented Residents were getting into the mood in our Arts & Crafts programme by making some spring flowers and colourful butterflies. Well done to Nancy, who made the beautiful blue butterfly while Eleanor painted hers orange.

Bingo Fun

We do love a good game of Bingo here in College View Nursing Home and this week's winners are Peter and Kitty. Congratulations to them both!

Homemade Flowers

Our creative Residents made some fabulous felt flowers with the help of our Activities Coordinator, Lynn. They will brighten up our living room until we have the 'real spring flowers' from our garden.

Our College View Residents, with the help of Lynn and the Activities team, made some beautiful dream catchers this week. Our Residents loved this activity and while doing it talked about all their dreams and successes in life. It was a lovely afternoon, and our talented crafters were delighted with their creations.

Word Games

We enjoyed some word games this week in College View Nursing Home - the game included old sayings, which got some great conversations going. It was a lovely way to spend an afternoon reminiscing about times gone by.

Games Day

Lots of high scores in the darts this week here in College View Nursing Home - all part of 'Games Day' which included darts, hoops, connect 4 & skittles - all very competitive and great fun. We also played bingo - congratulations to our winners Bridie and Martina.
