## Wholesome Friendships

A picture can tell a thousand stories. Here we have two great friends in Oakwood Lodge Nursing Home, Helen and Maureen. They chat away about babies and how they grew up. A very interesting conversation with lots of laughter. It brightened up our day here at Oakwood Lodge Nursing Home, listening to the reminiscing. Doll therapy can be a great comfort to residents and trigger great memories.

We had some 'hoolie' in Oakwood Lodge Nursing Home for St. Valentine's Day 2022. We started the day by making love hearts, then it was party time. Anto provided the music and was fabulous as always. Each resident was presented with a rose and some goodies. There was a great fun atmosphere and lots of love in the air.
