Margaret's Birthday Celebrations

We had another celebration here in St. Glady's Nursing Home. Our wonderful Resident Margaret turned 80 years young and we had a lovely celebration with lots of singing of 'happy birthday' and of course a scrumptious birthday cake. Happy Birthday Margaret. We are delighted that you enjoyed the celebrations.

Valentines Lunch in St Gladys's

We had a lovely lunch in our 'Valentine's themed' dining room at St Gladys Nursing Home and it was a fabulous affair with wonderful food and lots of treats.

A Visit from Duke

Over the weekend we had Duke the 'therapy dog' visit us at St Gladys Nursing Home. The residents were delighted to see him as always. Duke gets lots of love and hugs from all the residents and he loves all the attention.

Computer Class

We have started a computer class here in St Gladys Nursing Home and our residents were amazed at how technology has come on. We had a fabulous chat about computers and Paddy says “I remember when the first computer came to work, it was very big and almost took up the whole room” and Muriel says “It’s never too old to learn”. Our aim is to teach some basic skills to every interested resident on how to use a computer.

St Gladys' Rugby Fans

Our Residents had a great time cheering on the Ireland rugby team as they conquered rivals Italy. Go on Ireland!!!

We have a very sporty gang here in St. Gladys Nursing Home and this week our Resident's enjoyed lots of games including bowling and balloon basketball!! Muriel and our Healthcare Assistant, Martina, also enjoyed a game of scrabble. Games are great to keep the mind and body agile.

Valentines Arts & Crafts

'Love was in the air' this week here at St Gladys Nursing Home as our residents made decorations in preparation of St Valentine's Day which have brightened up our home no end. On the production line to make the decorations were Muriel, Richard, Marie and James. Well done to this arty bunch.

A Victorious Win

Neal was delighted with his win at cards in St Gladys Nursing Home over the weekend. He was playing with Bernadette, Muriel and Ebby. We don't play for money but we definitely play for bragging rights!! A fun afternoon all round. Well done to Neal!

A Lovely Surprise 🌞

It's always lovely to receive post and this week our Resident Aideen was sent a lovely handmade gift and card via An Post from her niece. It was a lovely surprise and Aideen was over the moon.

A Leisurely Stroll

While the weather is bright, dry and not too cold, two of our residents, Aideen & Olive decided they would like to stretch their legs with a stroll in the area - so off they set with our Activities Coordinator, Elaine. They took a leisurely stroll around Kimmage and while out, the three ladies paid a short visit to the beautiful church in Mount Argus to say a prayer.

Music with Mickey

Singing and dancing on a stormy Friday afternoon - what more could you ask for!! We welcomed the talented Mikey back with his guitar and as he started belting out the tunes it was time to dance and sing along. For an Elvis number our Resident Tom invited our fabulous Director of Nursing, Alyn Joy, out for a bit of a dance. A fabulous afternoon enjoyed by all!!

Hearts for Heroes

Our St. Gladys's Nursing Home Residents & staff were DELIGHTED to be invited to take part in the 'Hearts for Heroes' project 2022 in the local community. The project is being run by the 'Lower Kimmage Road Residents Association' LOKRA with support from Dublin City Council. The aim of the project was to collect as many colourful hearts as possible and have them on display along the length of Lower Kimmage Road to celebrate St Valentine's Day. We at St Gladys Nursing Home were delighted to be invited to take part in this local project which will hopefully lift the hearts and spirits of the whole community here in Kimmage.
