

## Valentine's Celebrations

The Residents in College View Nursing Home had a fabulous time celebrating Valentine's Day. There was lots of pampering with the ladies having their nails done and the gents having a manicure. We also had a 'movie' afternoon and watched & sang along to 'The Sound of Music'. The karaoke mic was also a big hit with everybody taking their turn to sing and we even had some 'mocktails' to mark the occasion.

## Fun Activities

We love our activities here in College View Nursing Home. Pictured here is our wonderful resident Bridie who thoroughly enjoys art and likes painting & decorating her craft work with buttons and gems!

## St Brigid's Day

To Celebrate St Brigid's Day here in College View Nursing home, we, of course, had to make some St Brigid's Crosses to protect our home and drive evil, fire, and hunger away!! We had great fun revisiting this old tradition.

## Coffee Morning ☀️

This week in College View Nursing Home we had a 'coffee morning' in our Special Care Unit, which was thoroughly enjoyed by all of our Residents. It was a social event for our residents to be able to get together over a cup of coffee and some treats and have a chat!

## Knitting Club

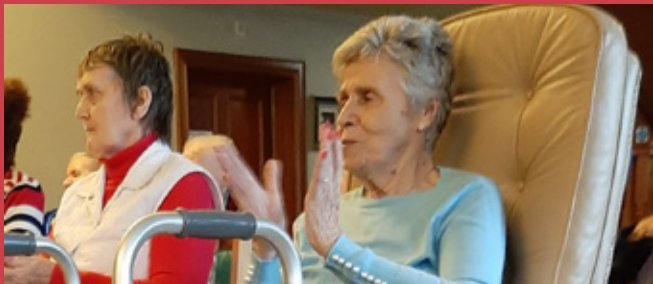

Our 'College View Knitting Club' is very important to many of our residents here who have been knitting all their lives and they just love to share their talents with other likeminded souls.

## Spring is in the Air

Spring is in the air so the garden in College View Nursing Home beckons for our green fingered residents. This week we did some gardening and planted some Spring flowers. For those Residents who could not get outdoors we did some potting of plants indoors too. All we have to do now is make sure the plants are minded, watered and nurtured, until they grow and we can admire and enjoy them.

## Right Auld Hoolie

We had a right auld 'hoolie' at our live music session this week in College View Nursing Home. The entertainer this week was Teresa McKiernan and she was just great. There was lots of singing along, clapping and tapping of feet. Our residents thoroughly enjoyed the afternoon. Thank you Teresa for the entertainment.
