

## Knitting Club

Our crafty Resident Mary has been busy making a baby blanket at our weekly knitting club in Nephin Nursing Home - anyone can join in, all they need is a set of needles and some wool !! It is lovely to sit around and create, share patterns and have a natter together.

## A Fond Farewell

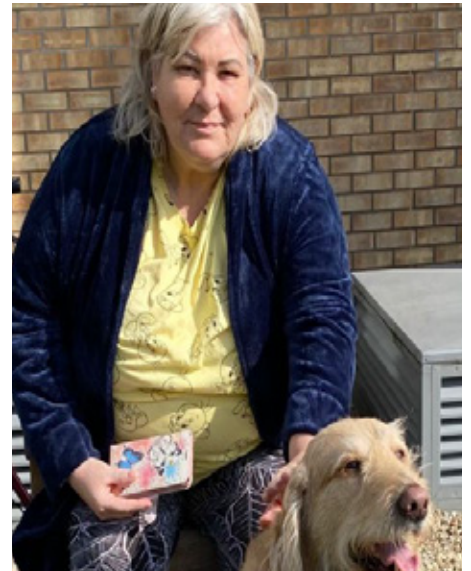

All of us at Nephin Nursing Home would like to wish Egle all the best with the next step in her career Journey. You will be missed by staff and residents alike - GOOD LUCK and THANK YOU for everything.

## St Patrick's Day Celebrations

We had a great St Patrick's Day and enjoyed a weekend of activities here in Nephin Nursing Home. On St Patrick's Day we started off with Mass, then we had some face painting of shamrocks and had the Irish flag ready for the afternoon entertainment which included bingo and lots of singing and dancing.

This week we had a lovely visit from our 'therapy dog' in Nephin Nursing Home - all our ladies and gentlemen love to pet him and his visits brighten up our week. His name is Kyttec and he is such a well behaved puppy.

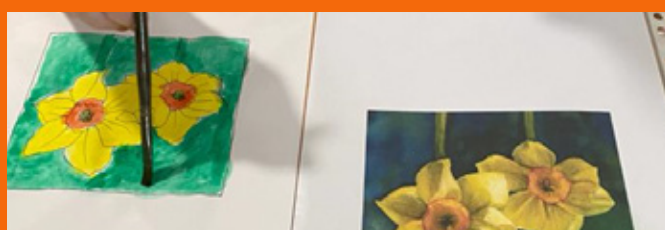

## Arts and Crafts

The Opera was the theme of our Arts Programme with Tracy - our visiting Artist - this week. All our Residents painted a piece and when it all came together it looks just fabulous and is hanging in our home for all to admire and enjoy!!

## Daffodil Arts & Craft

'Daffodils' was the next theme for our Arts & Crafts Programme. We got lots of inspiration from our garden here in Nephin Nursing Home. Our guest artist, Tracey, was here to guide our artistic residents and the result was some lovely painted daffodils which are now hung in our home for everybody to enjoy.

Our Nephin Nursing Home Residents had a very important role this week in our Arts & Crafts programme - they had to create the cover of a book of reflections entitled "Covid Time" living through two years of the pandemic. With the help of guest artist Tracy, we think they did a wonderful job on the cover and we look forward to seeing the finished book. Well done to all.

## St Patrick's Day **Mass**

This week our Residents were able to attend Mass here in Nephin Nursing Home for St. Patrick's Day - which is very important for many of those that live in our care.

## International Womens Day

We had a party at Nephin Nursing home to celebrate all our fabulous women on International Womens Day with flowers and afternoon tea for the ladies who all had a wonderful time.
