

Gertie's Birthday Celebrations

We had a very special lady Gertie celebrating her birthday with her family and friends here in Terenure Nursing Home. She had a lovely day and enjoyed every minute of it including the gifts and birthday cake. Happy Birthday Gertie from us all here in Terenure Nursing Home.

Mother's Day Celebrations

Well our Nursing Home was like a florist shop over the weekend for Mother's Day with a sea of flowers and cards for all the wonderful mothers who live here. We had a fabulous day celebrating.

Indoor Gardening

We had a great week here in Terenure Nursing Home. Some of our Residents choose to do some indoor gardening and potted some plants, and Terry received some beautiful tulips from her daughter for all to enjoy.

Fond Memories

Our Residents just love to look back at old photo albums from years gone by and share their wonderful stories. They are very precious memories to them.

Pamper Day

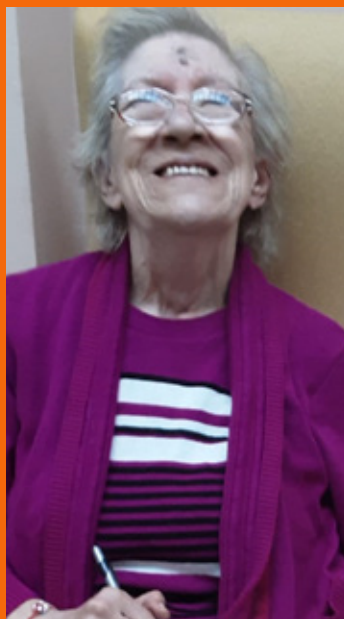

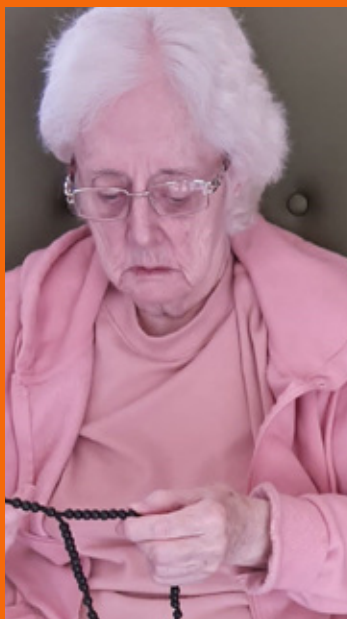

There is nothing like a bit of pampering and this week our Terenure Nursing Home Residents enjoyed a hand massage and manicure. Our staff members, Auxi and Yolanda, were the beauticians for the day and our Residents said they did a great job.

Rosie's Birthday Celebrations

Our wonderful Resident Rosie had a ball celebrating her birthday here in Terenure Nursing Home. She received lots of gifts and flowers and was overwhelmed with all the love and attention.

Ash Wednesday

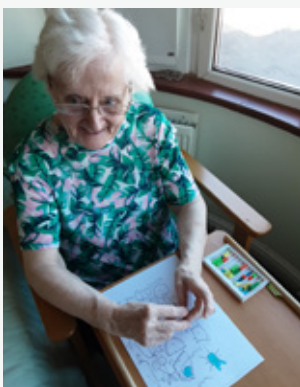

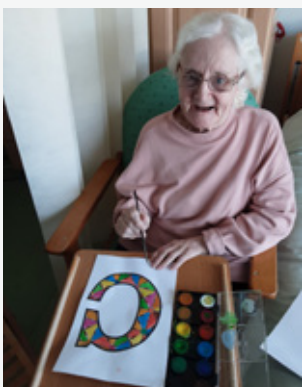

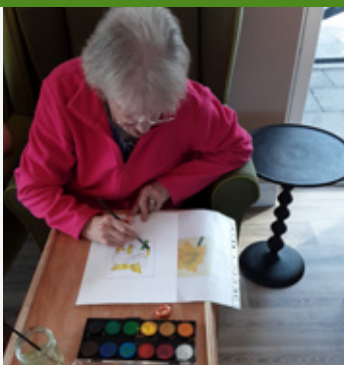

On Ash Wednesday, our Residents here in Terenure Nursing Home said prayers together and had a blessing with ashes, something that would be important to many of the people who live in our care. After prayers there was lots of discussion about lent and how people observed it. With lots of reminiscing, it was a lovely day.

The theme for our Arts & Crafts this week was the Daffodil - and with the garden full of daffodils it was very apt. Our Residents did great work and we now have lovely daffodil paintings to brighten up our home.

A Relaxing Week

After all the fun and parties we had to celebrate St. Patrick's Day, our Residents decided to have a relaxing week this week. Pictured here is Thomas, reading the news paper, while Terry opted for a bit of pampering with a 'hair-do' and leg massage, and Artists Anne, Enda & Rose are enjoying what they always love to do - painting.

St Patrick's Day Festivities

We went all out this year in Terenure Nursing Home for St. Patrick's Day and had a wonderful time celebrating. We hope your day was as fun as ours!!
