## Fun Creations

Our talented and artistic Residents decided to make a lovely summer hat that was inspired by the glam at the Irish Darby at \*The Curragh Racecourse\* and what a fabulous hat they made - fit for any outing. Pictured modelling the hat are our lovely Ladies Chrissy & Mary McG. Well done ladies!!

## College View **GAA** Fans

We have many GAA fans living here in College View Nursing Home and there was great banter and shouting at the TV for the GAA matches last weekend. Peter & Bridget were showing who they were supporting with their Flags and there was great friendly rivalry between the two until the final whistle blew and Kerry won! Bridget was delighted that she backed the winning team and Peter said 'there is always next year for Mayo'. We look forward to the Semi Finals and of course the All Ireland Finals after that.

## Arts & Crafts

Our Arts & Crafts programme is very popular here in College View Nursing Home. We decided to set up an 'Imagination Gym session' to help bring out our creativity in practical activities such as drawing, crafting and writing. It helps concentration, relaxation and creativity.
