## A Beautiful Gift

What a beautiful gift of a Halloween Decoration to receive - a knitted pumpkin family!! They are just fabulous. THANK YOU so much to Betty, who is the daughter of our Resident Joe, for knitting them for us.

## Balloon Game

Gentle exercise is very important for the people who live here in Terenure Nursing Home and we love the Balloon Game which is a gentle exercise for the arms as well as an opportunity to socialize! It is a great game for all abilities and it is a great way of having fun too.

## Pumpkin Carving

Well what a laugh our Residents had in Terenure Nursing Home. Our Activities Coordinator, Auxí, had a plan that they would 'carve' the pumpkins to decorate our home. When the Residents started to remove the 'insides' of the Pumpkins - you could hear them laughing in O'Connell Street. After that bit was sorted - the carving started and the result was just beautiful - well done to all!!

## Helen's Birthday Celebrations

Wishing our lovely Resident, Helen, a very Happy birthday. Helen received some lovely gifts and lots of love from us all here in Terenure Nursing Home and of course there was birthday cake with a lots of tea to celebrate. Happy Birthday Helen from us all here in Terenure Nursing Home!!

## Knitting Club

The knitting club is a wonderful way for our Terenure Nursing Home Knitters to get together and create and chat. The clack of the knitting needles is always accompanied by good-natured chatter.

## Ball Games

We have a very energetic group of Residents here in Terenure that love to exercise. This week the choice of exercise was to play 'throw and catch the ball'. As always the activity resulted in many laughs and lots of banter. But the overall objective to stretch the arms and get some exercise was achieved. Well done to all involved.

## Agapanthus

"Agapanthus" with our finger prints was the Art Class this week here in Terenure Nursing Home. Our guest Artist, Tracy, guided our artistic residents in the task and the final result was a beautiful art piece that will be hung on our wall for everybody to enjoy. It was also great fun too with our residents having lots of laughs. Well done to our talented Residents who are always ready for any challenge.

## Sunshine for the Soul ☀️

We recently enjoyed the garden at Terenure Nursing homes while we could and the sun was out. Everyone loves to get out in the fresh air and enjoy the flowers and the birds and with Autumn on the way we have to grasp the chance when we can. Some love to tend the plants and others just like to take in the air. Sunshine is good for the soul.

## All Glammed Up

Our Terenure Nursing Home Gals had their hairs done in preparation for partying at the weekend. We think they look just beautiful. They were delighted with the pampering and are all set for the weekend.

## Ring Toss

We had lots of fun today enjoying 'Games Day' - the game of choice was Ring Toss. It is great fun and great exercise for those that take part and everyone had a great afternoon.

## Halloween art

Our Terenure Nursing Home Artists were at it again - creating some lovely colourful Halloween Art - called 'scratch art' with the help of our guest artist, Tracy. Well done ladies you will soon have to display your art in an exhibition.

## Baking Skills

One of the activities the residents of Terenure Nursing Home love to do is 'baking'. It is a chance to show off their cooking skills and pass on old tips and chat about days gone by. Also, you get to eat the cakes with afternoon tea afterwards !!

## Brenda's Birthday Celebrations 🎂

We had a lovely afternoon here in Terenure Nursing Home celebrating Brenda's Birthday - it was a great celebration with Cards, presents and Cake.  
Happy Birthday Brenda from everyone in Terenure Nursing Home!!

As we come to the end of 'Nursing Homes Week 2022' Fashion was on the minds of our creative Residents here in Terenure Nursing Home. With the help of our guest Artist, our 'designers' created beautiful dresses made with petals & feathers. They were absolutely beautiful. Well done to all involved!!
