

# STORIES FROM November & December

## Talented Crafters

We have a lovely tradition here in College View Nursing Home of our Residents hand-making Christmas Cards and decorations. We think the finished articles are lovely - well done to all our crafters

## A Big Thank You

What a wonderful community we live in here in Cavan. Students from the local schools sent in lots of cards and letters for our College View Residents to read - and they are just delighted with them and have read them over and over again. Thank you so much to the Teachers, the Students and their parents - you are all very kind.

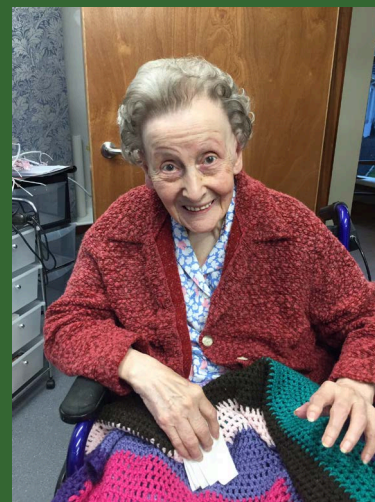

## Rainy Days

There is nothing nicer on a wet and miserable winters day in College View Nursing Home than to spend the afternoon painting. Pictured here are some of our talented artists hard at work.

## All Glammed Up

Getting ready for the festive season we had a visit from our Hairdresser/Barber who got our Residents all dolled up for Christmas - hairdo's for the ladies and haircuts for the men. Here we have Betty, Bridie & Peggy modelling their do's - and we think they look just beautiful.

## Christmas Bingo **Bonanza**

Christmas Bonanza Bingo was a great hit with our College View Residents with lots of prizes and loads of winners. Congratulations to all.

## Christmas **Wishes**

We asked our wonderful College View residents what their Christmas wishes were. They all wished for Health and Happiness for their loved ones, family and themselves. ★

## Knitting **Club**

We have some talented Knitters here in College View Nursing Home who have been very busy making scarves to keep themselves warm over the winter. Pictured here is Margaret who loves her knitting.

## A Visit from Santa

No matter what age we are, a visit from Santa is always a very exciting and happy time - and when he comes with gifts that is even better. Thank you Santa for calling in to see our Residents here in College View Nursing Home - we know you are a busy man. Lots of new lovely memories made for our Residents.

## Christmas Party 2022

Our College View Nursing Home Residents had a wonderful Christmas Party. We had musical entertainment, Tommy Trixter paid a visit too and fabulous food from our Chef and Kitchen Team, including lots of sweet treats. Thanks to our fabulous team who worked hard to ensure our Residents had a Christmas 2022 party to remember. Lots of new lovely memories made for our Residents and Staff here in College View Nursing Home.

## The Cavan Gospel **Choir**

We had a wonderful afternoon in College View over Christmas with a visit from The Cavan Gospel choir who entertained us with some festive favourites. The residents loved it all and it was a great afternoon of music and song.

## Tommy **Trickster**

There was some funny moments for our College View Residents when Tommy Trickster came to visit and entertain with his magic tricks. Thank you Tommy, we enjoyed your visit very much.
