

STORIES FROM November & December

A Beautiful Gesture

Wow! What a beautiful gift and gesture from a lady who donated over 30 beautiful crochet blankets for our residents here in Tara Winthrop Private Clinic. Our Residents were just thrilled to receive them and will enjoy them very much.

A Big Thank You

Our Tara Winthrop Private Clinic Residents & Staff want to say a HUGE Thank you to the boys and girls (and their teachers) from the local schools who sent our Residents lovely letters and cards for Christmas - many were hand-made cards. Our Staff and Residents have read every one of them and we have kept them here so that we can read them over and over again.

A Christmas Concert

The Christmas Party season was in full swing in Tara Winthrop Private Clinic with a wonderful concert by entertainer Paddy McQuile - and as usual our Residents got into the swing of things very fast - singing along, clapping hands and some even took to the dance floor.

A Visit From **Santa**

Our Residents were delighted to receive a visit from Santa over Christmas and were even more delighted to receive a gift from the man in the red suit!!

Christmas Jumper **Day**

On 9th December, Tara Winthrop Private Clinic held a 'Christmas Jumper Day' in aid of charity. Pictured here are some of our wonderful team looking lovely and festive.

Animal Therapy 🐾🐾

We had a visit from Animal Therapy Ireland over Christmas and as you can see from the photos, our Residents just love dogs and were delighted with the visit - thank you to Irish Guide Dogs for the Blind and Animal Therapy Ireland for making a lot of people very happy on a Saturday afternoon here in Tara Winthrop Private Clinic.

Clay Angels

Our Residents were busy in the run up to Christmas working on an art project with our guest artist, Tracy. They were making Angels from Clay. The process started with our artistic residents moulding, from clay, the different elements that would make up the Angels. Then the clay was left to dry and the final part was to paint the Angels and put string on them before hanging them on our Christmas Tree. Well done to all involved.

A Festive Spirit

Our Residents were getting into the festive spirit over Christmas by wearing some of the decorations that they made during our Arts & Crafts programme.

Music from **Elastic Band**

We had a lovely concert over Christmas with music from the 'Elastic Band'. Our Residents had a wonderful afternoon getting into the Christmas spirit while listening to festive songs.

Supersize **Snap**

Our wonderful Resident Kitty had a right ole laugh playing 'snap' with these supersized cards.

Monster Christmas **Bingo Bonanza**

It was "eyes on the prize" at our Monster Christmas Bingo Bonanza here in Tara Winthrop Private Clinic. Calling out the numbers was our Activities Coordinator, Iwetta, who had to be on top of her game as our Residents always are when it comes to Bingo – a very serious affair!! As always there was great fun and banter during the bingo session. Congratulations to our many winners who were able to pick their prizes from the Christmas Bingo Trolley.

Resident **Bakers**

Our Resident bakers were in full swing in the run up to Christmas and the aromas throughout the Home were simply divine.
