

STORIES FROM November & December

Creative Talents

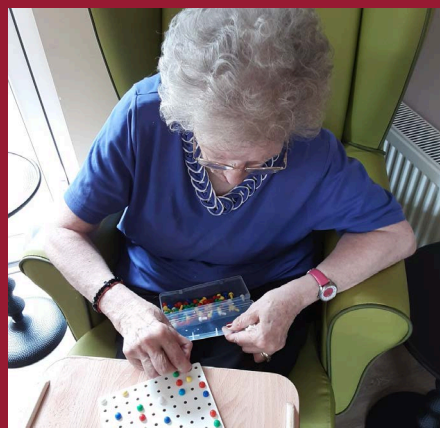

If we told you that the Christmas decorations in these photos were knitted you would find it hard to believe it - well they are, and aren't they just amazing!!

The wreath was knitted by Eden, who is the daughter of our Resident, Gertie.

The little Santa Hats were knitted by Betty, daughter of our Resident Joe, which arrived packaged with lots of lovely sweet treats - Thank you to Eden and Betty for spoiling us.

Games Day

Games day here in Terenure Nursing Home is always fun. Residents can choose what game they want to play. This weeks one of the choices was 'Playing Cards' and there was fake money involved for the betting - such a laugh was had by all. Old games like draughts, snakes and ladders and of course playing cards brings back great memories for our Residents.

Pamper Day

Our lovely Terenure residents enjoyed being treated to a pamper session in the run up to Christmas by the generous team at Vanity Hair. Many of our men went for a clean shave, while our ladies opted for rollers.

Thank you so much to Tina and Danya from who kindly offered their services as a Christmas treat for our residents.

Mocktail Party

Well what fun we had at our Terenure Nursing Home 'MOCKTAIL' Party on Friday December 23rd. And it was all thanks to our Resident Aileen's family - her daughter Sineád and granddaughter Ella brought in the ingredients and 'props', made and served the mocktails. Our Residents had great fun and it definitely got them into the festive spirit. Thank you so much to Sineád & Ella & family for the mocktails and fun.
