

Fond **Friendships**

Castleross Nursing Home, a place where great friendships are formed. Pictured are best friends Dympna and Mary. They love to visit each other in their rooms or sit together in the sitting room. They chat about old times over a cup of tea & a bun and have great laughs.

An Afternoon of **Music**

We had a lovely afternoon of music here at Castleross when Brendan Mc Cahey performed for us to sing some lovely folk Irish music.

101 **Birthday Celebration**

We celebrated Dympna's 101st birthday party, and it was a wonderful afternoon for a wonderful lady. President Michael D Higgins sent Dympna a letter to wish her a happy birthday and also included a lovely medal. Sincere thanks to our regular entertainer, Ellen Tinnelly music who came in to sing for Dympna as she never leaves the dance floor when Ellen pays a visit.

St Brigid's Day

Our Residents were busy making St Brigid's Day crosses in Castleross and there was lots of laughs as we tried to master the technique that proved a bit tricky for some - but we got there in the end!

The Two Of Us

We were delighted to welcome the Hall family who make up the band "The Two Of Us" to Castleross Nursing Home. Ian & Laura did plenty of fabulous singing but gave the residents their own go with the microphone. With plenty of dancing and music our residents absolutely loved them and can't wait to welcome them back again.

Valentine's Day Celebrations

We had a great time celebrating St. Valentines Day 2023 in Castleross. The management presented our Residents & Staff with a beautiful carnation flower from Churchview Flowers Carrickmacross and for our men, they were treated to a drink of choice & a chocolate. Love was definitely in the air.

Puppy Love

There was lots of puppy love here in Castleross when Teddy & Max called in to visit our Residents. They are so cute and very popular visitors, as you can see by the smiles in these photos. Thank you to Teddy & Max's owner, Jane, for bringing them in to see us.

Residents Bakers

We have been very busy in Castleross making some lovely muffins and rice crispy buns.

There was plenty of mixing done and recipes discussed: After all the hard work everyone deserved and enjoyed a lovely bun and cuppa.

Flower Arranging

We had a lovely time in Castleross Nursing Home recently filling assorted pots with beautiful flowers and foliage. They look fabulous about the home and really bring a bit of joy and hope of spring to Castleross. The residents did a wonderful job.

Fun and Games

Another weekend of fun and frolics in Castleross. With a focus on exercise; both for mind and body, our exercise program is important but never too strenuous, and always suitable for those taking part. Games like Skittle and Balloon tennis and Basketball keep us fit but are also great fun and our Residents really enjoy them.

St Patrick's Day

Well what a weekend of partying we had here in Castleross over St. Patrick's weekend. Eamon O Reilly in Broomfield House played some tunes on the accordion. While Peter in Creevy House sported his St. Patrick's hat. Caroline, one of our Healthcare Assistants / Carers in Lisdoonan House dressed up as a leprechaun and the residents loved it as they received a golden coin from her lucky pot. Mickey the Butcher was in to sing for us as well and he was brilliant - it was not long before our Residents and Staff took to the floor to dance. Thanks to our Activities Assistants, Amy and Frances, and all our Castleross Staff for making St. Patrick's Day 2023 special for our wonderful Castleross Residents.

Hoolie in **Castleross**

Another day and another 'HOO LIE' in Castleross. This time our Residents enjoyed the music and singing of Brendan Mc Cahey who took his son Noah, with him to entertain our Residents, and they absolutely loved it. There was plenty of dancing and singing along. A bog Thank you to Brendan and Noah for making our Residents very happy.

Mobile Music **Machine**

The wonderful Mobile Music Machine performed for our Castleross Residents recently. The musicians were spectacular. We look forward to welcoming Mobile Music Machine back again soon to Castleross.

Kittie's Birthday **Celebrations**

Our Kitty turned 90 years young with a lovely party with all the residents to celebrate. Our Team pulled out all the stops to make Kitty's 90th birthday fun, fantastic and memorable. There was balloons, delicious food & beautiful birthday cake. Happy Birthday Kitty from us all here in Castleross

Mother's Day

On 'Mothers Day' here in Castleross each lady received a beautiful flower that was purchased from Churchview Flowers Carrickmacross, to which our Activities Coordinators added a gorgeous hand-made tag. The celebrations on the day included an Afternoon Tea Party in each of our four Castleross Houses. As usual our Kitchen Team provided fabulous fare that was enjoyed by all - including our men. All our ladies had a lovely day with lots of reminiscing and new memories made.
