Green Fingers

Our College View Residents enjoyed getting out in the garden this week and loved looking at our plants and shrubs. Some of our 'green fingered' residents were involved in planting them so are delighted to be able to get out when the weather is fine to water their precious plants. All love the outdoors and the minute the sun shines - there is an exodus for the door

Resident **Artists**

Our College View Resident Artists worked together to create some lovely artwork. Colouring & gluing pieces of paper to make a lovely art piece that is now displayed in our home.

College View Art Exhibition

There was great excitement here in College View for our Residents Art Exhibition. On the day there were displays on every surface, on every door and window, and in the reception area of the home, which looked fabulous. Congratulations to our wonderful artist residents, activities coordinator Fiona, and all the team in College View for their great work.

Philippine Independence Day Celebrations

What a wonderful day our Residents had at the Philippine Independence Day Celebration. It was held in the County Cavan Rugby Club and there was a full afternoon of fabulous entertainment including a 'Modern Filipiniana Fashion Show'; Poetry & Dance; Games; a Filipino Feast and much more.

Reduce, Reuse & Recycle

With a motto to "Reduce, Reuse & Recycle" our College View Residents took to making decorations out of old books - and we think they are just lovely. Well done to our Activities Coordinator, Fiona, who led the project and got lots of input and ideas from our artistic Residents.
