## Artists at Work

We had a lovely afternoon here in Glenaulin Nursing Home and decided to have a painting class out in the garden. Inspired by the butterflies fluttering in the garden, our focus was to get as many butterflies painted as we could to decorate the walls around our Home.

## Outdoor **Bingo**

We decided to have our Bingo in the sun and make the most of the sunny weather in our wonderful garden. The residents enjoyed being outside in the fresh air and we had a lovely afternoon with lots of lucky prize winners!!

Our Glenaulin Nursing Home 'Bakers' were hard at work creating mouth-watering baked delights. They set about measuring, mixing, discussing recipes and then we all had beautiful cake to enjoy for afternoon tea. Well done to our Resident Bakers!!

## A Night Out at **West County Hotel**

Some of our Glenaulin Nursing Home Residents enjoyed a night out at West County Hotel Dublin. All had a wonderful night and enjoyed a little tippie or two. It was so nice for the Residents to get out and let their hair down! And of course they were very well behaved and weren't out too late!!

## 'On Yer Bike'

Some of our active Glenaulin Residents have been busy getting the legs and lower body exercised on the bikes - great fun and banter during this activity.

Our Glenaulin Nursing Home Summer Party was held on July 29th and we were blessed with the weather. The families and loved ones of our Residents were invited and came in their droves. Everybody had a wonderful day. Thanks to all our staff and entertainers for pulling out all the stops to make the Glenaulin Summer Party 2023 just wonderful - with lots of new lovely memories made for all.

Our residents in Glenaulin love it when Radar our pet therapy dog comes to visit and he always gets a great reception. Pet therapy has been found to be very beneficial to residents and it was a lovely way to spend the day.

We always have a wonderful afternoon when Mickey the Music man comes to entertain us. Our Residents love a good sing-song in Glenaulin and Mickey is a fantastic entertainer.

## Nursing Homes Week

Celebrating its 10th anniversary in 2023, the theme for Nursing Homes Week this year is 'Music' - and our Glenaulin Nursing home residents just LOVE a bit of a 'Karaoke' - singing and Dancing. We love it when Mickey the Music Man pops by and he always plays our favourite tunes.

## Creative Talents

There is nothing as relaxing for some of our Residents as painting or colouring - it is a great way to spend an afternoon. 'Hearts' was the theme of a recent 'art session' and as usual, our artistic residents concentrated hard on their individual pieces. Well done all!!

## Resident **Gardeners**

We love our garden here at Glenaulin and this week we wanted to add some lovely winter colour and Spring bulbs to our pots. We planted up pots of brightly coloured Winter Pansies and layered Tulips and Daffodil Bulbs underneath them to pop up next springtime.

Although the women's Football Team did not get to the next stage - there was great support for them here in Glenaulin Nursing Home!!
