

Christmas In Castleross

Our Residents and Staff had a great time over Christmas🥰🥰🥰. Our staff presented two gifts to each of our Residents; one was from the management of Castle-ross, and one was from Carepack.ie - a group who facilitate members of the public sending gifts to Residents in Nursing Homes all over Ireland. Our Residents and our team want to say a HUGE THANK YOU to the volunteers who send gifts through Carepack.ie The excitement here in Castleross on Christmas Morning was electric - Santa was very good to all this year 🥰🥰

Merry Christmas & A
Happy New Year

Thank you, lord, for giving
me the brand-new year
ahead.

Help me to live the way I
should as each new day I
thread.

Give me gentle wisdom that
I might help a friend,
Give me strength and
courage so a shoulder I
might lend.

The year ahead is empty
help me fill it with good
things.

Each new day filled with joy,
and happiness it brings.

In Memory

As November is the month of holy souls, we have added some beautiful trees to each of our homes here in [Castleross](#) and in the oratory which has all the names of those we cared for and lost this last year - as they remain very close in our hearts.

Our memorial mass was held on the November 15th November @7pm in the oratory. We wish to thank everyone for their involvement in our service.

You can watch the whole service here.

Our Staff & Residents would like to thank Monaghan County Library & Monaghan County Council for in these events throughout 2023.

Harvest Time

Our crop of pumpkins 🍂 has arrived at Castleross Nursing Home, Carrickmacross. We decided to paint our pumpkins this year as they will last longer and will carve them closer to Halloween 😊 They had fun coming up with spooky patterns to paint on their pumpkins 🍂

We had so much fun playing a few games with our staff and residents 😊 Check out some of our staff's spooky Halloween costumes 🎃

The month of September is mental health awareness month. So, we planned a month-long programme of activities to remind us all to look after our mental health and to be aware of those around us - it is good to talk. Our staff and residents were all involved, and we had a lot of fun too we did a variety of different activities like a jersey & dress up day, Cube competition, Donut & Pizza days, a breakfast morning, a weekly riddle etc. It was a great month for our residents and our staff.
