

## Publication Scheme

### King Street Dental Practice

Guide to Information available through the Model Publication Scheme 2016

The Freedom of Information (Scotland) Act 2002 requires Scottish public authorities to produce and maintain a publication scheme. Authorities are under a legal obligation to:

- publish the classes of information that they make routinely available
- tell the public how to access the information and what it might cost

King Street Dental Practice has adopted the Model Publication Scheme 2016 produced by the Scottish Information Commissioner. The scheme has the Commissioner's approval until 31 May 2018.

You can see this scheme on our website at [Kingstreetdental.co.uk](http://Kingstreetdental.co.uk) or by contacting us at the address below.

The purpose of this Guide to Information is to:

- allow you to see what information is available (and what is not available) in relation to each class of information
- state what charges may be applied for supplying information
- explain how you can find the information easily
- provide contact details for enquiries and to get help with accessing the information
- explain how to request information we hold that has not been published

### Accessing information under this scheme

The information we publish through the model scheme is, wherever possible, available on our website [Kingstreetdental.co.uk](http://Kingstreetdental.co.uk), by email and at the practice. We offer alternative arrangements for people who do not want to, or cannot, access the information online or by inspection at the practice. For example, we can usually arrange to send information to you in paper copy, although there may be a charge for this (see Charges section below). Information can be requested from us by telephone or in writing using the contact details provided (see Contact Us section below).

When writing to us to request information, please include your name and address and full details of the information or documents you would like to receive. Please also include a telephone number so we can call you to clarify any details, if necessary.

Advice on requesting information not detailed in this Guide to Information can be found in Appendix I 'How to access information which is not available under this publication scheme'.  
Exempt information

We will publish the information we hold that falls within the classes of information below. If a document contains information that is exempt under The Freedom of Information (Scotland) Act 2002 (FOISA), we may remove or redact the information before publication but we will explain why. Examples of exempt information include requests for information that is contained in

patient dental records (although you do have the right to request your own dental records under the Data Protection Act 1998), requests for information relating to private income of practice partners or practice staff and requests for financial information that would likely prejudice substantially the commercial interests of any person.

### Copyright

Where King Street Dental Practice holds the copyright in its published information, the information may be copied or reproduced without formal permission, provided it is copied or reproduced accurately, is not used in a misleading context and provided that the source of the material is identified.

The copyright for some of the information referred to in this guide is not held by King Street Dental Practice. This should be apparent from the documents. It is the responsibility of the person accessing the information to locate and seek the permission of the copyright holder before reproducing the material or in any other way breaching the rights of the copyright holder.

### Charges

Unless otherwise stated in the Classes of Information section below, all information contained within our Guide to Information is available from us free of charge, where it can be downloaded from our website, sent to you electronically by email, or accessed at the practice premises.

We reserve the right to impose charges for providing information in paper copy or on computer disc. Charges will reflect the actual costs of reproduction and postage to the practice, as set out below. In the event that a charge is to be levied, you will be advised of the charge and how it has been calculated. Information will not be provided to you until payment has been received.

### Reproduction costs:

Where charges are applied, photocopied information will be charged at a standard rate of 20p per A4 paper (black and white copy) and 50p per A4 paper (colour copy).  
Computer discs will be charged at the rate of £2.50 per CD-Rom.

### Postage costs:

We will pass on postage charges to the requester at the cost to the practice of sending the information by first class post.

### About King Street Dental Practice

King Street Dental Practice is owned and operated by R.G. & H Lyons Ltd and the premises are owned by Mr. R.G. Lyons. The dentists working at the premises are Mr. R.G. Lyons and Mr. C. P. Savin]. The practice is also staffed by a practice manager (Mrs Hazel Lyons), 1 receptionist, 2 part-time hygienists, 3 full – time and 2 part – time dental nurses .We operate as a general dental practice, providing dental treatment as independent contractors under NHS terms of service and private treatment, for adults and children. The broad categories of our service are:

- Examination
- Preventive treatment
- Periodontal treatment please
- Restorative treatment
- Crowns
- Prosthetic dentistry
- Cosmetic dentistry
- Minor oral surgery
- Dental implants
- Tooth whitening

We also provide a referral service for other treatments if required.

We claim fees for NHS patients according to the current system (Statement of Dental Remuneration, SDR) set by the government, depending on patient class and exemptions. We are paid monthly fees for the number of patients we have registered and claim fees for individual items of treatment. There are also some allowances available for such things as continuing professional development, audit, rent, rates and practice improvements based on the percentage of NHS care we provide. Out of this income, and income from private treatments, the practice pays the full cost of providing care, including the provision of the building, equipment, materials and staff.

Our standards are assured by NHS regulations relating to our participation in clinical governance, clinical audit and peer review, and by the General Dental Council (GDC) Standards for the Dental Team and requirements for continuing professional development. Our care and treatment are also inspected by the Dental Reference Service of the Scottish Dental Practice Board and our practice is inspected every three years by NHS Dumfries & Galloway

## Appendix I

### **How to access information which is not available under this publication scheme**

If the information you are seeking is not available under this Guide to Information, then you may wish to request it from us. The Freedom of Information (Scotland) Act 2002 (FOISA) provides you with a right of access to the information we hold, subject to certain exemptions. The Environmental Information (Scotland) Regulations 2004 (EIRs) separately provide a right of access to the environmental information we hold, while the Data Protection Act 1998 (DPA) provides a right of access to any personal information about you that we hold. Again, these rights are subject to certain exceptions or exemptions.

Should you wish to request a copy of any information that we hold that is not available under this publication scheme, please write to Mrs Hazel Lyons at King Street Dental Practice, 189 King Street, Castle Douglas, Kirkcudbrightshire. DG7 1DZ

Charges for information which is not available under the scheme

Fees for information that is not available under this scheme are outlined in The Freedom of Information (Fees for Required Disclosure) (Scotland) Regulations 2004. If you submit a request to us for information which is not available under the current Model Publication Scheme the charges will be based on the following calculations:

### **General information requests**

[These charges are set within The Freedom of Information (Fees for Required Disclosure) (Scotland) Regulations 2004]

- There will be no charge for information requests which cost us £100 or less to process.
- Where information costs between £100 and £600 to provide you may be asked to pay 10% of the cost. That is, if you were to ask for information that cost us £600 to provide, you would be asked to pay £50, calculated on the basis of a waiver for the first £100 and 10% of the remaining £500.
- We are not obliged to respond to requests which will cost us over £600 to process.
- In calculating any fee, staff time will be calculated at actual cost per staff member hourly salary rate to a maximum of £15 per person per hour.
- We do not charge for the time to determine whether we hold the information requested, nor for the time it takes to decide whether the information can be released. Charges may be made for locating, retrieving and providing information to you.
- In the event that we decide to impose a charge we will issue you with notification of the charge (a fees notice) and how it has been calculated. You will have three months from the date of issue of the fees notice in which to decide whether to pay the charge. The information will be provided to you on payment of the charge. If you decide not to proceed with the request there will be no charge to you.

## **Charges for environmental information**

[This could include, for example, details of waste disposal. The charging scheme below can be modified: unlike a FOISA request for general information, there is no upper or lower cost limit for an EIR request and the practice can recover, in full, the cost of supplying the information]

- We will ask you to pay the full cost of providing the information, with no waiver for any portion of the cost. Charges are calculated on the basis of the actual cost to the practice of providing the information. Photocopying is charged at 20p per A4 sheet for black and white copying and 50p per A4 sheet for colour copying. Postage is charged at actual rate for first class mail. Staff time is calculated at actual cost per staff member hourly salary rate to a maximum of £15 per person per hour.
- We do not charge for the time to determine whether we hold the information requested, nor for the time it takes to decide whether the information can be released.
- In the event of a request we will issue you with notification of the charge and how it has been calculated. The information will be provided to you on payment of the charge. If you decide not to proceed with the request there will be no charge to you.

### Requests for your own personal data

These charges are set within The Data Protection (Subject Access) (Fees and Miscellaneous Provisions) Regulations 2000

While you cannot request personal data under the FOISA you are entitled to request your own personal data from us under the Data Protection Act 1998 (DPA). We reserve the right to charge a maximum of £50 for requests for an individual's own personal information.
