

M400

The Verifone M400 takes the multilane experience to a whole new level. Boasting a sleek, new, innovative design, and stunning 5" multi-touch display with superior screen resolution, this powerful device captivates. Part of the Verifone Engage family of interactive, commerce-enabling devices, the Verifone M400 leverages our secure, connected framework to transform the in-store experience to deliver rich, two-way interactions that engage customers like never before. The Verifone M400 incorporates all the latest payment technology, including acceptance of the latest payment types, as well as beacon capabilities for added flexibility and delivery of personalized offers and value-added services.

- Enhanced user interface with intuitive screens and prompts
- Ready for the future: supports MSR, EMV, NFC/contactless and mobile wallet payments
- Flexible connectivity options, including Bluetooth/BLE + WiFi
- Fully supported, PCI 5.X-certified device
- Utilizes the power of Verifone Connect for point of sale customization, device management, security and support

Specifications

Processor

1 GHz, Arm Cortex-A9 32-bit RISC

Memory

1 GB (512 MB Flash, 512 MB RAM), microSD

Display

5" FWVGA (854 × 480), capacitive multi-touch screen, Corning® Gorilla® Glass technology

Audio

Speaker

Operating System

V/OS

Card Readers

Triple track MSR: ISO 7810, 7811, 7813; smart card reader: EMVCo-approved

Contactless

ISO 14443 Types A and B, ISO 18092- capable, EMVCo L1 and L2 certification, MIFARE, supports major NFC/CTLS schemes

Environmental

Operating temperature: 0° to 50° C (32° to 122° F); storage temperature: -20° to 60° C (-4° to 140° F); relative humidity: max 90%, non-condensing

Connectivity

Ethernet; optional 5 GHz + 2.4 GHz WiFi; optional Bluetooth 4.2 BLE; single cable out with modular design: USB, serial RS-232, IBM tailgate; compatible with MX cabling; front-facing, easily accessible audio jack

Physical

175 mm L × 155 mm W × 43 mm H

Other Standard Features

Optional field replaceable passive stylus, backlit keypad, PSCR & MSR LEDs, 2 SAM slots, Kensington lock
