PRESS RELEASE

Lucenti appoints TEATR as sole distributor for Poland

Boom, Belgium, 18/02/2019

Lucenti, Belgian manufacturer of the PixlBus protocol driven Blackwave and Vinci series, is extremely proud to appoint TEATR Poland as their selected sales partner for Poland.

Michal Frackowiak (photo right), TEATR's ceo states : " The extremely efficient design of both fixtures and data management make the Blackwave and Vinci series fit for any visual production. The mapping and configuration procedures are just so intuitive. I was immediately impressed! "

Brand Manager Jeroen Carette (photo left) " Without any doubt TEATR is the perfect partner to reflect the Lucenti values to the industry. They are well-known for their customer oriented efficiency, innovative approach and ambition. I have worked with this fantastic team before and they are always able to offer their customers the right advice and solutions."
