

## INFECTION CONTROL

### MEDIGENIC MEDICAL SCROLL MOUSE

An easily cleaned optical mouse designed for medical environments, the Medigenic® Medical Scroll Mouse is impervious to antibacterial spray or liquid cleaning products. Made of the same pliant silicone-based material as its counterpart Medigenic Medical Keyboard, this pointing device may also be rinsed, as necessary. Its smooth latex-free surface provides hypo-allergenic advantages, while eliminating nooks and crannies where bacteria can hide.
