

FROM ASIAN JUNGLES...

FARMERS PICK THE UNRIPE JACKFRUIT AND CUT & PACKAGE IT WITHIN THE DAY

MEET JACK

200 OF US EASILY GROW ON ONE TREE EACH YEAR

I EASILY WEIGH 25 KG AND I AM THE LARGEST FRUIT IN THE WORLD.

MY TREE IS NOT INTO PESTICIDES OR CHEMICAL

I'M RICH IN FIBER, MAGNESIUM, ZINC & POTASSIUM, AND FULL OF VITAMINS

I'M LOW IN CALORIES AND FREE FROM FAT AND SODIUM

MY TREE LIVES ON VERY LITTLE WATER

THE BEST PART...

The more jackfruit you harvest, the more that will grow on the trees.

...AND THE SAD PART

1/3 of all jackfruit goes un-eaten
