NZSE - New Zealand Skills and Education College is a NZQA Category One accredited education provider and part of the New Zealand Skills and Education Group.

NZSE College is an NZQA Category One Education Provider

Founded in 2003, NZSE College is a leading provider of tertiary qualifications in ATC Military Prep, Early Childhood Education, Health and Wellbeing, IT and Business Technologies, and Security. With campuses in Auckland CBD, New Lynn, Manukau, and Hamilton.

NZSE College is Accredited by NZQA, and funded by TEC, we have strong partnerships with many schools, universities and polytechnics.

Our aims are aligned with supporting people to flourish through education, support and learning experiences. Our STAR and Gateway courses are aimed to meet the needs of New Zealand's youth in an environment that is challenging and rewarding.

Our Vision:

Te huri i ngā koiora ma te kaha o te ako.

Transforming lives through the power of learning.

About STAR and Gateway

A Secondary Tertiary Alignment Resource (STAR) course allows secondary school students to train for a specific career or study at tertiary level. STAR courses are short and are only available through polytechnics and private training organisations, like NZSE College. Students participate in short-term courses or 'taster courses' for a few days at a time, or one day per week for several weeks; and longer-term courses leading into Gateway.

Gateway offers longer term programmes which lead to industry unit standard qualifications. Gateway courses are tailored for secondary school students and are structured around work-based learning, allowing them to learn and work while still at school or experience what they will do in a work place.

Programme Information:

- A minimum of 15 students is required for the courses to go ahead
- All courses are delivered at the campuses advertised
- Students to bring their own packed lunch
- On the last day of the course students will be provided lunch
- FREE T-shirts for students to wear in class
- Role call will be conducted every morning and afternoon
- NZSE College must be advised if a student is away
- Cancellation of students must be within 2 weeks of course commencing
- Certificates will be sent to the school once all the work is marked
- There is a 20 day turn around for marking at the completion of the course
- An MoU will be sent to the schools to register your students for the course

Why ATC Military Prep?

ATC Military Prep uses military-style training and techniques to prepare students for pathways into the workforce, possible careers in the New Zealand Defence Force, New Zealand Police or other related services. It can also help you get the credits needed to advance into further study or university. Each year new students flourish in the atmosphere of a military-styled education system, achieving academic, physical, and vocational heights they never thought were possible.

- Drills
- Practical Physical Training
- Teamwork
- Confidence Building
- Self Discipline
- Life Goal Setting
- Insights into NZ Defence Force Structure and Pathways
