Leading Excellence in Intermediate School Education

### Maori Dimensions and Cultural Diversity

We as a school value te reo Māori as a taonga – we share the belief emanating from the Treaty of Waitangi that our Māori people and all people should have a say in decision making. Māori people retain the right to self-determination. Māori people, as our bicultural partners, are guaranteed equal 'right', privileges, opportunities and outcomes. We passionately wish for this to happen so that Māori people are empowered and valued as Tangata te Whenua of our land. Ka Hikitia means to step up, to lift up, to lengthen one's stride – to empower. We embrace this as whakatauki for all people sharing the journey with us at this school. It is engagement and achievement that for all people and this in reference to Māori (Te Ao) is understanding our world from a Māori and Pakeha perspective.
