Dear Parents, Caregivers and Friends of the School,
Tena Koutou Katoa Nga mihi nui Ki a Koutou Katoa.

I am looking forward to the school speech finals next week. The quality of speeches always impresses me and I have no doubt that this will continue this year. Our own daughters have been immersed in writing their respective speeches and have been practicing in front of the mirror, their parents and grandparents over the last week. Like me, many of you will probably know your child's speech inside out by the time they present it in class. Please feel free to join us next Thursday afternoon in hall for our School Speech Finals from 1.50pm. I can guarantee you will be entertained.

For the last two weeks, we have investigated inappropriate comments, reels and images posted to TikTok by some of our students on alias accounts that use our name and logo. The degrading and inappropriate images and comments were explicitly directed at members of our teaching staff. This has had a detrimental effect on many of my colleagues, and I am sure you will agree that there is no place for this within our community. Several students and their families were spoken to along with the entire student body on Monday morning. Could I respectfully request that you speak with your children about the appropriate use of social media and that actions can have consequences? We have successfully closed many alias accounts and have requested that the remaining images and comments be taken down. Students should unfollow accounts like these to avoid being linked to this behaviour. If you would like to see whether your child has participated in an alias account, open their TikTok app, click profile, then settings and scroll down to switch accounts where it will list all accounts your child owns or associates with. To see whether your child follows an alias account, open their TikTok app and click following for a full list of who your child subscribes to. For help in keeping your child safe on TikTok, [click here for their Guardians Guide](#).

We continue to punch above our weight on the sports field and have had more success. Our Year 7 futsal team won their zone day last week and will progress to the Auckland finals. This is on the back of some pleasing cross country results, netball victories and impressive results in girls' football. My continued thanks to the coaches and managers who give up their time for our students.

I enjoyed taking our Pacific Islands students to TGS yesterday where they connected with teachers and students leaders. After a hearty breakfast our students began planning activities for Tongan Language week that will take place in Week 7. One activity will involve cooking some traditional Tongan food and sharing this with our TGS students and staff.

Our learners continue to be engaged in the classroom and are looking forward to their respective inquiries this term. Below are some excerpts describing what each team will focus on this term.

Team Rangitoto will explore the question, "What should we improve, remake or destroy?". We will be focusing on how things change over time, with a particular focus on housing. The students will have opportunities to plan and design a house focusing on sustainability and cost efficiency.

Students of Motuihe will be exploring and making personal connections to the statement, Technology through the decades. Tamariki will choose a decade that interests them and draw a house floor plan inspired by houses in that decade. Motuihe students will create a diorama or 3D model of a room (e.g. bedroom, lounge, etc.) within their house. Their rooms will reflect trends of their decade, including technology. Students' understanding will be further enhanced by comparing and contrasting the technology from each decade.

Team Motutapu's focus question is "What is our connection to Papatūānuku?" As a team, we are focusing on ocean sustainability and the global plastic crisis. We aim to use the technology design process to plan and construct a feature at school that will benefit our community, using recycled plastic.

This term team Rakino, as part of a technology focus in integrated studies, will consider the question of "What forms of technology might we improve, remake or destroy to better our lives?". Using a framework of "understand, know and do" we will answer the question of what is technology and how has it enhanced our lives. We then look to the future and investigate how we might enhance our lives even further through adaptations and technological innovations.

I would like to take the opportunity to farewell Miss Lee-Ann Bosch who is leaving us to be closer to home in Pukekohe. Lee-Ann will be missed by the staff and students alike and we wish her all the best for the next step of her career and life in New Zealand. We welcome Mrs Deborah Yeo to Belmont Intermediate School and look forward to supporting her as she starts her time with us on Monday.

Lastly, congratulations to those who received Principal's Certificates this week; Leighton Jones, Petra Wehrle, Sam Schneebeli, Lily Maurice, Violet Goodwin, Ruben Newton, Hinata Sato, Ruby Milne, Katya Naserallah and Emily Western.

Ngā mihi nui

Principal

BIS Idol 2022

We are delighted to be holding the BIS Idol competition again this year after a two year hiatus because of Covid 19. The heats will be held in Week 5 this term (August 22 - 26) during lunchtime. These will take place in the Music Room and only those students who are competing, the sound engineers who help organise backing music and the teacher judges - Mrs Janes, Mrs Piper and Miss Earl will be present. From these heats the judges select the most promising singers (usually about eight students) who perform to the whole school on Thursday, September 15 at 2pm. External judges are invited to adjudicate the final. Parents of students who are performing in the final are welcome to attend.

Homestay Needed

We are currently seeking a friendly caring homestay for a Thai male student who will be attending BIS in Term 4 this year and returning for a full year in 2023. He is 12 years old and will join a Year 7 class this year, moving to Year 8 next year. The student will arrive with his parents and stay with them initially therefore, the homestay requirement is only for the latter part of Term 4 (Oct 16th - Dec 18th). We are interested in hearing from families who would like to accommodate him for either the latter part of term 4 and/or all of next year. You will be well supported by the international department and receive a remuneration of \$320 per week for a student. Please contact Caroline Hood on chood@belmontint.school.nz

#FTLOR - For the Love Of Reading 2022 - Book Week Monday 29 August - Friday 2nd September 2022 - Week 6

This year's #FTLOR Week is fast approaching and it's time to start getting excited about all things reading related. The whole week will be action-packed full of activities, competitions, guest speakers, and of course... reading!

We are thrilled to announce that New York Times bestselling author, [Graci Kim](#) will be joining us on Monday to launch #FTLOR Week. Graci will be speaking about curiosity, play, and resilience, relating to her journey as a fantasy adventure author. Graci's hugely successful novel, 'The Last Fallen Star' merges Korean mythology and folklore in a modern setting and has been so popular that Disney are looking to turn it into a film. She is also speaking at this year's [Auckland Writers Festival](#). Her hardcover books will be available to buy on the day at BIS, (through local bookstore Paradox Books) at a discounted rate of \$25 and Graci will personally sign each copy sold. To find out more about what a truly inspiring person Graci is, check out this [Spinoff article](#)

Illustrator/ animator [Munro Te Whata](#) will be Zooming into classrooms on Thursday 1st. He is one of the illustrators who collaborated to create Māui's Taonga Tales: A treasury of stories from Aotearoa and the Pacific. This gorgeous book tells the tales of some of the taonga held at New Zealand's famous national museum, Te Papa. Munro Te Whata also works on animation series and interactive story apps. Thanks to Read NZ Te Pou Muramura, with support from Creative NZ, for funding Munro's virtual visit through their #writersinschools programme.

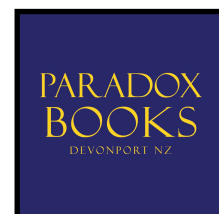

On Friday 2nd, we will welcome Sam Blood, author of YA fantasy series, 'Shadows.' Sam is also an ex pupil of Belmont Intermediate, and amazingly, he was working on his first draft of this book when he was a student here! Check out more information about his books on [Goodreads](#). Sam will also be selling personally signed copies of his novels on Friday for a cost of \$25 each. We are looking forward to being inspired and educated by all three of these experts.

A huge variety of competitions and fun activities to foster a love of reading will take place over the course of the week. Some of these include: 'Spot the Box' and solve the riddle within; a school wide Kids' Lit Quiz based on a variety of novels and co-ordinated by our superb Kids' Lit Quiz team; comic creations; book cover poster design; Stop, Drop and Listen; a Revolving Read; 'Sucked Into A Story' writing competition; poetry readings; a reading scavenger hunt; and many more...

We have once again registered for the [Hell Pizza Reading Challenge](#). Each student will receive their own pizza wheel. Once they complete a whole book, they will receive a stamp on their wheel. When seven stamps have been collected, they can redeem their wheel for a 333 size pizza from Hell Pizza any time up to 31 January 2023. For more information for parents, [click here](#).

Cozy local bookstore, Paradox Books, will be offering Belmont Intermediate School families a 10% store discount using the code: BIS#FTLOR during the week beginning Monday 29 August. Thanks Paradox for supporting our #FTLOR event this year.

To wrap up the week, we encourage students to dress up as a book character on Friday 2nd September. Prizes will be awarded for the overall best-dressed class, and there will be individual prizes for a selection of best dressed students at each year level, with emphasis on creativity, effort, resourcefulness, and representation of their chosen character. BIS staff have their own competition to see which team will look the best in their chosen group theme.

It promises to be a fantastic week of exciting events. We look forward to sharing photos of #FTLOR Week with you. Thank you to all staff members for your support in making this event so successful for our students.

Girls Futsal Zone Day

Fantastics results from the North Harbour Girls Futsal Zone Day last week. Our Year 8 Girls team finished runners up to Northcross and our Year 7 team defeated Murrays Bay 2-0 in the final to take home the Year 7 trophy. Well played girls! Thanks to Ryan Ward for coaching both teams. Photos from the day can be [viewed here](#).

Year 7 Girls

Year 8 Girls

Cross Country Zone Day

We had a very successful day at the Cross Country Zone Day last week with five individual runners placing in the top 10 of their category and two of our teams finishing as top school in their group:

Ariana Vosper - 2nd Year 7 Girls

Patrick Ellis - 3rd Year 7 Boys

Neve Upston - 10th Year 7 Boys

Elizabeth Ellis - 6th Year 8 Girls

Jacob Howell - 4th Year 8 Boys

The Year 7 Boys and the Year 8 Girls teams also finished as overall top school on points. Well done to everyone who took part, it was a tough hilly course and we had some great results overall with 14 of our 35 runners finishing in the top 20 of their group. The five runners who placed in the top 10 along with the two teams have qualified for the Auckland Inter Zone on 13 September at Muriwai. Photos from the day can be [viewed here](#).

Basketball - North Harbour Zone Days

Earlier this week our girls Blazers basketball team and our boys AIMS Games team competed at the Basketball Zone Days. After a tough first game for the girls against Murrays Bay Intermediate, they finished second in their pool after the pool play rounds. They were defeated by Takapuna Normal Intermediate in the quarter final but went on to comprehensively win their remaining two games against Carmel and Glenfield finishing the day in 5th place overall.

On Tuesday the boys had similar results, finishing second after pool play and coming up against Takapuna Normal Intermediate in the quarter final. They unfortunately lost 15-14 to TNIS in a very tight game, but successfully went on to win against Albany Junior High School and Birkdale Intermediate finishing the day in 5th place.

Well done to both teams and a big thanks to Andrew Burton and Simone Balle for coaching the teams. Photos can be [viewed here](#).

Success Outside of School

North Harbour Netball

Congratulations to Huni Posimani for making the North Harbour Year 7 Player Development Team and was also invited to do a Development Clinic for Year 8 to Year 12. Great news, rawe mo tērā, Huni.

Heaven and Hell need a re-set. Overcrowding has reached critical mass in both after-life options, so a more selective approach is urgently required. As undecided souls can no longer be accommodated in Heaven or Hell, God and Satan have collaborated on a new project to remove the non-believers from their respective operations. Hellansville is a shiny, new development designed to meet the needs of an increasingly secular society who have shuffled off this mortal coil but have nowhere to go.

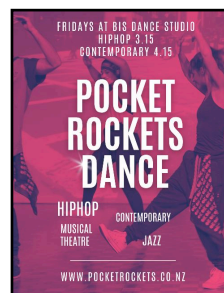

Welcome to Hellansville' will be performed at The Rose Centre, Belmont, North Shore on Wed 14th, Thurs 15th and *Fri 16th Sept 2022 at 8pm.

*The final show will include a post-show cheese and wine event where you are invited to a Q&A session with the writer and director.
