Dear Parents, Caregivers and Friends of the School,  
Tena Koutou Katoa Nga mihi nui Ki a Koutou Katoa.

The past two weeks have been extremely eventful with a variety of activities and events to stimulate and engage our ākonga. Last Thursday, I had the privilege of judging the speech finals, accompanied by TGS Prefect and Head of Junior Leadership, Jess Weston, as well as our very own esteemed Property Manager, Mr Greg Watson, who has been a guest speaker in previous years. The variation of speech topics this year was of particular interest, with topics such as "Fungi", "Dads", "Organisation", "Dinosaurs", and "Liars" to name a few! Congratulations to our winner, Madeleine Wylie, and runner up, Evie Brodie, who will be competing at the Auckland Primary Principals Association in late September. We wish them all the best!

Part of our literacy program also encourages alternative options to speech writing and delivery, with Rehu Tai, which includes a choice of flash talk, rap, poetry and spoken word. We had some stellar performances by our talented students in this category, with some pleasing results at the North Shore Intermediate school competition. Olivia Xie and Reuben Faletutulu were runners up in the Spoken Word and Rap category, respectively. Congratulations to Daniel Feng who won the Flashtalk - ka pai tamariki ma!

In addition, we have also received some outstanding results at the Kids' Lit Quiz on Wednesday, 31 August. We had a 4th placing in the afternoon with only a one point difference from 3rd, and the morning team were 1st place winners, and are now off to Wellington for the National Competition - congratulations to the team, and to Angela Winslade who has been coaching the team for the past few months - kei hea mai!

In other news, we have also enjoyed a wonderful week of all things related to books with our annual, 'For The Love Of Reading' (#FTLOR) Week. There have been an array of activities throughout the week to engage, excite and motivate our young adolescents to continue to read and love books! With author visits from Sam Blood, Gracie Kim, and illustrator zoom calls from Munro Te Whata, as well as daily whole school reading excerpts from our dedicated staff, culminating in a final day of dressing up for Book Character Day on Friday! Many thanks and huge accolades to Angela Winslade for her remarkable dedication, commitment and extra mahi in planning and delivering a successful literacy program for our very lucky students. Thank you Angela - you are a valued member of our team and we appreciate the effort you bring for our students. And I would be remiss to not mention Jacquie Spillane, our Resources Manager and Book Week side-kick extraordinaire, who worked tirelessly with Angela on all things Book Week. Look out for the next Newsletter for a Book Week Wrap-Up!

Our school is also extremely fortunate to have a superbly talented art teacher, Mrs Larissa Johnson. Year after year, we are always inspired by the work that Larissa manages to elicit from our students. The art work around the school is always of an incredibly high standard, full of colour, vibrancy, abstract, detailed and visually pleasing to the eye! Staff, students and parents have been able to view a number of selected art pieces on display at the Lake House Art Exhibition in Takapuna.

'Our Matariki' is an exhibition that showcases how the schools on the Takapuna-Devonport peninsula celebrated the months of Matariki in 2022. If you haven't seen it, please visit to witness some wonderful displays of visual art. Many thanks to Larissa Johnson for the hard work, talent and passion she brings to our Belmont Intermediate School art space.

In sporting news, we have the annual AIMS Games coming up next week. Thank you to Alice Browning for her coordination and organisation of this prestigious event, and also to Brittany Coleman and a number of parents who have coached teams and individuals for their respective events. Good luck to our girls football team and our boys basketball team along with 30 individuals in various sports including cross country, canoe sport, golf, gymnastics, mountain biking, rock climbing, swimming, tennis and yachting, who will all be competing at the AIMS Games from 5 - 9 September in Tauranga. Good luck to the entire team!

In staffing news, we continue to manage the teacher shortage in the best way we can. New Zealand, and especially Auckland, is suffering from a major teacher shortage, which also affects the pool of relievers who we heavily rely on to cover teachers who are sick and/or unable to work from day to day. We always endeavour to find quality teaching staff to continue the learning programs for our students, however, this is not always possible. We ask that you please remain patient and understanding as we navigate these challenging times, and trust that our best intentions are always to put our students first.

Finally, we would like to wish all of our fathers and father figures in the community a very special day on Sunday, 4 September to celebrate Father's Day. For those fathers who are no longer with us, we hope that families are able to share some special, quality time this weekend with their family and whānau.

Congratulations to those who received Principal's Certificates this week: Evie Hobbs, Wolfe Pedersen, Alisa Guo, Mandy Qiu, Ryan Craig, Isabella Richardson, Jesse Frazerhurst, Jacob Howell, Diana Shao, Brooke Wilson, Sally Nicholls and Reuben Faletutulu.

Whāia te iti kahurangi, ki te tūohu koe me he maunga teitei

Seek the treasure you value most dearly and do not be deterred by anything less than a lofty mountain.

Enjoy your weekend  
Kia kaha

Claire Janes  
Deputy Principal

## Shout out to the PTA!

A massive thank you to Jillaine, Aylin, Natalie, Lisa, Joanne, Amber, Natasha, Grant, and Gina for helping with the mammoth task of preparing the election papers for the upcoming School Board Triennial Elections. Your help and cheerful manner was very much appreciated. Voting papers should be with eligible voters early next week. Please read the candidates statements and make your vote count!

## Triennial Parent Representative Election

By now, you should have received your voting paper in the mail. Please take some time to read our candidates statements and vote for up to three for the School Board. Every vote counts to help choose representatives to shape our school for now and into the future. You can post your vote to us or alternatively drop it into the school office during school hours.

## Homestay Needed

We are currently seeking a friendly caring homestay for a Thai male student who will be attending BIS in Term 4 this year and returning for a full year in 2023. He is 12 years old and will join a Year 7 class this year, moving to Year 8 next year. The student will arrive with his parents and stay with them initially therefore, the homestay requirement is only for the latter part of Term 4 (Oct 16th - Dec 18th). We are interested in hearing from families who would like to accommodate him for either the latter part of term 4 and/or all of next year. You will be well supported by the international department and receive a remuneration of \$320 per week for a student. Please contact Caroline Hood on [chood@belmontint.school.nz](mailto:chood@belmontint.school.nz)

## Donations Needed in the Art Department

The art department is asking for any donations of old unwanted sewing patterns and any kind of bottle tops. The sewing pattern tissue paper is used for sculptures and papier-mâché and the 20 year supply is finally dwindling! The bottle tops are used for sculpture-making. Please take any donations directly to the Art Room. Thank you in advance.

## Hard Tech Extension

In Mr Caddigan's Hard Tech Specialist Extension class, Will Fraser, Alex Fielding, Magnus Cornforth (pictured below L-R) and the other groups are lucky enough to learn how to code and build robotics this term. This is using a cool educational programme called LEGO Spike, where you can create awesome Lego inventions combined with technology that brings your designs to life. This week we focused on building 'grabbers' to help pick-up rubbish from around the school grounds, to save using our hands. Not only is this a more hygienic way of picking up litter, it was also really fun to code, design and adapt. All nine of us can't wait to do more exciting robotics this term! And a special thanks to Thomas Paterson, as we wouldn't be able to code the correct script without him.

## Netball - Auckland Champs

Our 7/1 netball team had a great day at the Auckland Inter Zone competition last week. After qualifying as top school from the North Harbour Zone Day they had the opportunity to go up against some of the best teams from across the Auckland region. They started the day well, winning their first two games against Sylvia Park and Papatoetoe. They had a close 9-7 loss to Henderson which meant they finished second in their pool, booking them a spot in the quarter finals. Unfortunately, Holy Cross was a strong opposition and they lost the quarter final, but went on to beat Pukekohe in the next round and were defeated by Bucklands Beach in the final round to finish the day in 6th place. Well done girls this is an outstanding result against some very strong opposition. Thanks to Lee Riddington for coaching the team. Photos can be [viewed here](#).
