### The Product

You will receive a box of farm fresh produce grown using responsible farming methods. Tanaka Farms does not plant GMO seeds. The majority of the freshly picked produce is grown by Tanaka Farms located in Irvine. Produce will be supplemented from other organic or pesticide free growers to provide a good variety in each box. Produce is delivered to St. John's either once a week or every other week where it is picked up by the subscriber. Subscribers are given a variety of freshly handpicked produce each week.

### The Cost

Cost to the subscriber is \$33.00 for the large box, \$22.00 for the small box, and \$17.00 for the mini box, plus a handling/delivery fee of \$3.00 per box. You may sign up or cancel your subscription at any time. A portion of the proceeds is donated by Tanaka Farms to support St. John's Food Pantry.
