

# STAY SAFE

## VISITOR REQUIREMENTS

To prevent COVID-19 and to protect the health and safety of our residents and staff, we will require you to adhere to these safety measures when visiting our community.

**Health Screening** – You'll be temperature-screened and questioned about health status, COVID symptoms and exposure.

**Handwashing** – Use alcohol gel or wash your hands when entering the building.

**Mandatory Masking** – Face mask use is required. *You will be given a mask at entry.*

No cloth or homemade mask allowed.

**Social Distancing** – Remain 6 ft. apart.

**Fully vaccinated residents and their family members are not required to wear masks or social distance during visits when they are alone. However, if staff or other unvaccinated residents are present, masks must be worn.**

## SCHEDULED VISITATION ACCESS\*

For Assisted Living, Memory Care & Health Care Only

\*Unless prohibited by local health department.

All visits must be scheduled in advance with strict adherence to visiting hours and capacity. Follow entry instructions and limit movement to designated visiting areas.

*Visitation will be determined by the presence of COVID-19 on campus.*

### Visitation will be suspended if:

- a resident or employee tests positive for COVID-19, no matter the county positivity rate.
- the campus has a positive, it must demonstrate the outbreak is contained to re-start visitation.

### HIGH RISK ▲▲▲

>10% county positivity rate

- Indoor and outdoor visits allowed – outdoor visits preferred
- Screening and precautions required

### MEDIUM RISK ▲▲

5-10% county positivity rate

- Indoor and outdoor visits allowed – outdoor visits preferred
- Screening and precautions required

### LOW RISK ▲

<5% county positivity rate

- Indoor and outdoor visits allowed – outdoor visits preferred
- Screening and precautions required

## Independent Living Visitation Allowed

*Visitors must check-in and check-out and are subject to screening and precautions.*

**Compassionate Care Only** when active COVID-19 case in Independent Living neighborhood.

# STAY SAFE

## KNOW BEFORE YOU GO

*As we begin to reopen, we are keeping several of our COVID-19 policies in place for the continued health and safety of our residents and employees.*

**Please call in advance to schedule your visit. The campus may limit number of visitors and set time parameters.**

### **NO VISITATION WHEN:**

-  **You have a fever.**
-  **You have any symptoms of COVID-19.**
-  **You have been exposed to an infected person in the past 14 days.**
-  **You're unable to practice proper infection control.**

## SYMPTOMS OF COVID-19

### **Who is at risk?**

- Anyone can have mild to severe symptoms.
- Older adults and people who have severe underlying medical conditions like heart or lung disease or diabetes seem to be at higher risk for developing more serious complications from COVID-19 illness.

### **Watch for symptoms**

People with COVID-19 have had a wide range of symptoms reported – ranging from mild symptoms to severe illness.

Symptoms may appear 2-14 days after exposure to the virus. People with these symptoms may have COVID-19:

- Fever or chills
- Cough
- Shortness of breath or difficulty breathing
- Fatigue
- Muscle or body aches
- Headache
- New loss of taste or smell
- Sore throat
- Congestion or runny nose
- Nausea or vomiting
- Diarrhea

*\*This list does not include all possible symptoms. CDC will continue to update this list as we learn more about the virus.*
