

THE **INQUISITEK** PROCESS

For website development, online marketing, search engine optimization

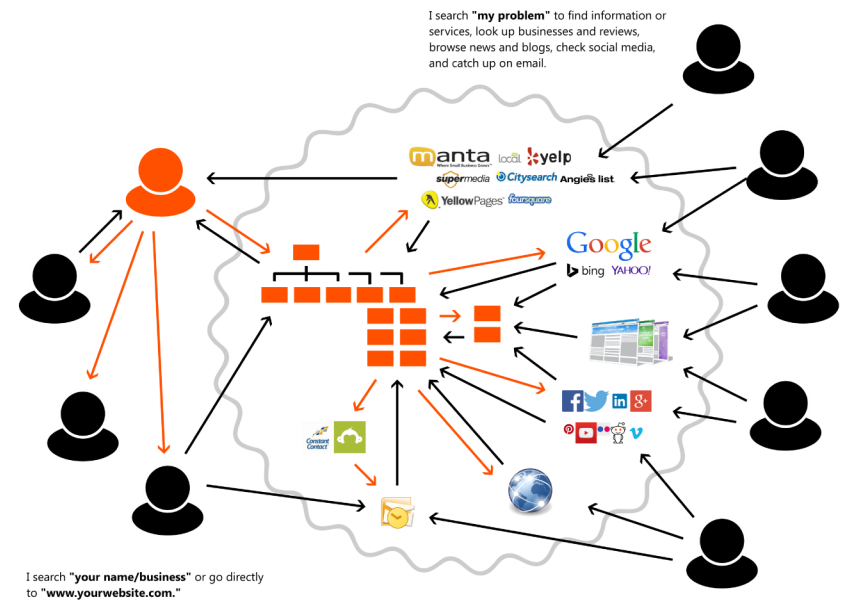

SIMPLE. POWERFUL.

We help the right people find your business.

Helping you grow your business by opening your doors to qualified people

- ▶ Develop an online strategy
- ▶ Define the branding story
- ▶ (Re)build a high-performing website and optimize for traffic, leads, and sales

"Completely pleased. I liked that I did not have to be involved. Handed it off and it went really smooth. The process was a piece of cake. I got a website that looks professional."

Bryce Ojalehto, Alpha Roofing & Construction

"Good Customer service. Responsive to questions. Todd always there to help. Meetings were setup, always on time with work getting done as promised."

Roxanne Justice, Botesch, Nash & Hall Architects, P.S.

"Impeccable customer service. More than immediate response. Friendly and local."

Jeff Franz, Snohomish Co-Op
