

## PARTY & EVENT PACKAGES

Packages are grouped into two categories based on event need: those needing one sound system and those needing two. Packages increase based on total hours booked and the addition of uplighting<sup>1</sup> and/or dance floor lighting.

**All Inclusive:** Every package includes Shure microphones, all consultations, a custom agenda (if event is a program), emcee announcements, setup and breakdown, and a *Music Planner* form to guide and document your music choices.

**Package Customization:** Packages may be customized in half-hour increments, \$87.50/half hour.

**To Make a Reservation:** We require a signed contract and a \$200 retainer (balance due 7 days prior the event date).
