

MATERIALS SPECIFICATIONS

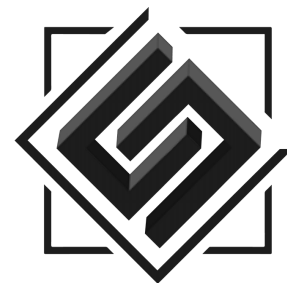

FUNCTION MEETS BEAUTY

We have a "never compromise" commitment to our clients and employees. With every project and every challenge, we are committed to the delivery of quality, beautiful, modular furniture and cabinetry that meets deadlines and exceeds expectations.

When it comes to materials, we work diligently to ensure that our material use not only integrates into your brand identity, but also fits the time, budget, and design constraints.

THE SARANDI WAY

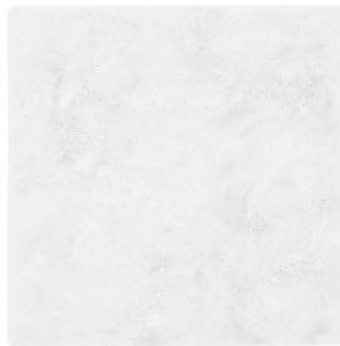

INTEGRITY. HONESTY. SIMPLICITY.

We work to exceed expectations to deliver the best in hotel reception desks, lobby furnishings, paneling throughout hotels and resorts, tables including community tables, coffee tables, and end tables, as well as barn doors, sliding panel doors, pocket doors, bars, trim, column wraps, cabinets, closet shelving, linen storage, business centers, bars, kitchen furniture, snack and dining area furnishings, counter tops and functional and stylish cabinetry.

dark OR light?

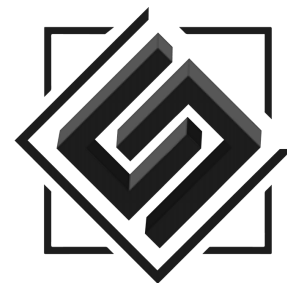

4

We have a **wide variety** of wood finishes, veneers, metals, and countertops of all color varieties to best fit your project. Not only do we strive to work on time and on budget, but we also ensure that we use quality materials that are long lasting and durable for commercial surfaces.

Don't sweat the details, **that's our job!** Let us help you pick the right materials to coincide with your existing branding. With our specialization in Hotels & Resorts, we are experts in emulating the existing design traits to breathe new life in a familiar way into your commercial space.

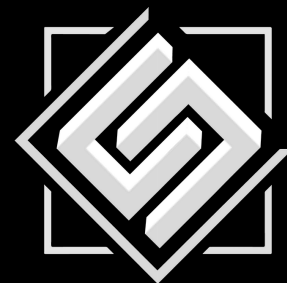

Get a **clear view**. Our broad selection includes finishes of all kinds and colors, and it also includes a vast variety of glass options. Depending on desired privacy levels, durability, and light filters, we have glass selections that will elevate your design to a whole new level.
