Features:

Hand-fitted slide and frame provide a remarkably tight, yet smooth, action.
 Match trigger featuring precision-machined Cylinder and Slide Hammer, Sear, Disconnecter and sear spring with flat-faced trigger shoe.
 Black nitrided stainless steel frame trimmed with a 25 lines-per-inch checkered front strap, matching checkered mainspring housing and textured G10 grip panels for a superior grip.
 Competition barrel featuring a fitted barrel lug, fitted barrel bushing and target crown for match accuracy.
 Undercut trigger guard and beavertail grip safety for a comfortable high hold designed to reduce muzzle flip.
 Extended magazine release, forged slide stop and integral plunger tube.
 Also includes: waterproof, fitted hard case; three 8-round magazines; Ruger® Custom Shop Certificate of Authenticity, challenge coin, cleaning cloth, gun peg and decal.
 Special GT25 prefix serial numbers w/Gun Talk logo on Slide.
